SOME SEALING INCIDENTS.

S. Lion, Capt. Alex Graham arrived om the ice-fields, with 21,503 seals March, 70 miles N.E. of the Funks When they arrived at the main patch, the first object that met their gaze were supplied by Capt. Graham. The coat?—m,w.f.tf S.S. Eagle, Capt. William Jackman, ed a load. The Walrus, Capt. Mullowney, also had a full load. The Lion was frozen up for the lion load. was frozen up for a few days, after having her seals on board, and left plenty behind her. Mr. Thomas Winter (T. & M. Winter) was out in the Lion on that trip, and it must be a no jinker. It is remarkable how the managed to get down to the far north the famous Capt. James Murphy was in the S.S. Mastiff, and he was certain er affoat, but in early morning he saw a brig coming towards him with every stitch of canvas on her, and to his surprise found it was the Mountaineer, Capt. Martin Smart. On another oceasion, Capt. Alex Graham, speke kipper Jim Wilcox in the "Pearl" down at Belleisle. "How did you get down here," remarked Capt. Graham' "We walked here," replied skipper Jim. And so they did in a way, because the crew on the rams before the bows hoved the ice away from the ship as they proceeded north. Truly they were riants in these days. This goes to show that practical experience and keen observation can win over science tine, "Havelock," one of the most for-FOR STEALING BALES OF CLOTH. tunate vessels of our fieet, was afterA young man named Whelan was wards practically rebuilt in Heart's arrested by Head Constable Byrne and Content in the seventies, and named Detective Constable Simmonds, on the "New Havelock," and good for
