Wallace Silverware.

Is your Table Silver as good to-day as when you bought it?
 Have you noticed that at the parts most exposed to wear, the plate has become worn?
 Do you think this condition of your Silver is in keeping with your idea of a well appointed table?
 Then why not, when you decide on replacing your old ware, give place to it with the "Wallace" Brand, the Silver that refuses to wear and is guaranteed without time limit.
 Start with the Tea Spoons and gradually complete your Set with the one pattern—there are several for you to choose from and the price is very moderate.
 Tea Spoons cost \$6.00 for a Dozen.

THE AVOIDANCE of Accident is not entirely under your control. When you ride in trains, street cars, motor cars, cabs or boats, your safety lies with someone else. While you walk the street you are in danger from another's carelessness. Nor are you immune in your own home. A carpet tack, a loose stair rod, a child's toy laying around may cause weeks of disability.
 Therefore, you need Protection all the time
 This \$26,000,000 Company gives you the Best protection for the least cost.
