MAGNESIA FINE FOR ACID STOMACH

for ACHES

Quickly Neutralizes Acidity. Stops Fermentation, Sweetens the

Stomach.

Nine people in ten, when food upsets the stomach causing distress, think they have indigestion. In reality they are suffering from "acid stomach." An excess of acid in the stomach causes gas, heartburn, bloating and sourness. cess of acid in the stomach causes gas, heartburn, bloating and sourness.

To have a strong healthy stomach capable of easily and normally digesting three hearty meals a day you simply must keep these stomach acids neutralized and the stomach contents sweet. No artificial digestents are necessary. Just get a few ounces of Bisurated Magnesia from any good drug store and take a teaspoonful of the powder or two tablets in a half glass of water right after eating or whenever the slightest pain is felt. The result is amazing and you will be delighted with the almost instant relief it brings. This famous stomach sweetener combines Magnesia and Bismuth in desirable proportions and is not only splendidly effective but perfectly harmless. Its regular use keeps the stomach sweet, strong and healthy all the time.

Bisurated Magnesia is well known to

Bisurated Magnesia is well known to druggists everywhere and is used annually by more than a half million people who now eat as they please, in reason with no more fear of indigestion.
