Their Business.

NEW YORK, Dec. 25 .- A Washington special to the Herald says: Protests made by influential merchants against the approval of the seal-

treasury, he, of course, urged that it be approved. Mr. Foster believes that section 9 will prevent the treatment by London manufacturers of skins taken by pelagic sealers, and the result of the restriction of British work will cause them to bring pressure to bear upon the British government to negotiate a modus vivendi with the United States as desired by President McKinley.

An official of the treasury department

told me that the department had as yet taken no steps looking to the prepara-tion of regulations under which the re-importation of sealskins into the United States will be allowed. It is not gener-Toronto, Dec. 27.—(Special)—John Linton, councillor for Toronto Junction for the last two years, and who was renominated this morning, as the clerk declared nominations closed, fell into the arms of Councillor Rice with the words "Hold me please," and expired almost instantly.

States will be allowed. It is not generally known, he said, but it is a fact, that every sealskin taken by the Alaska Commercial Company on the Pribyloff Islands is given a number, and that number is retained through the various stages through which it passes to the finished material. Each number, with a description of the skin, is kept by coldescription of the skin, is kept by collectors of customs. The company was allowed to take 30,000 skins during last allowed to take 30,000 skins during last season, and in case a modus should not be negotiated the President will announce in the spring the number it will use allowed to take during the following be allowed to take during the following. The only skins which London dealers can import into the United States besides those taken by the Alaska States besides those taken by the Alaska Commercial Company will be some 15, 000 or 20,000 taken annually in Hudson Bay and in that vicinity. The effect of the prohibition of the importation of skins taken elsewhere will be appresicated when it is remembered that the United States is the largest sealskin market in the world and that 200,000

washington, Dec. 20.—Assistant Secretary Powell has instructed the collectors of customs at San Francisco and Port Townsend, Wash., to notify all persons in their respective districts contemplating engaging in pelagic sealing of the passage of a bill prohibiting sealing in the Pacific Ocean north of the thirty-
