MY DAUGHTER WAS CURED

By Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"I send you here with the picture of my fifteen year old daughter Alice, who was restored to health by Lydia E. Pinkham's Vegetable Compound. She was pale, with dark circles under her eyes, weak and irritable. Two different doctors treated her and called it Green Sickness, but she grew worse all the time. Lydia E. Pinkham's Vegetable Compound was recommended, and after taking three bottles she had regained her health, thanks to your medicine. I can recommend it for all female troubles."—Mrs. I. A. CORREY, 1108 Rutland Street, Baltimore, Md.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for them have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

McNAIR—MELANSON

On Monday Oct. 31st in St. Joseph's Catholic church a very quiet but pretty wedding took place when Miss Beatrice Melanson was united in marriage to John McNair in the presence of intimate friends and relatives. Rev. J. J. Lambert performed the ceremony. The twin brothers of the bride served Mass. The bride was becomingly attired in a dark blue travelling suit with hat to match and carried prayer book. She was given away by her brother Ulric Melanson while the groom was supported by Fred Hickie. The children of Mary sang hymns during Mass, a society of which the bride was a member. Immediately after the ceremony the happy couple left on the 8.20 train for a trip to P. E. I., amid the showers of rice and best wishes of their many friends.

FREE IF IT FAILS

Your Money Back if You are not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, it taken with regularity for a reasonable length of time. 23 tablets, 10 cents; 50 tablets, 25 cents; 100 tablets, 50 cents. Sold in Campbellton only at our store—The Rexall Store—Thos. Wran Campbellton.
