

LEAGUE OR NO LEAGUE.

THE QUESTION AS TO THE INTERNATIONAL REVIVAL.

The prospects rather against the project of Mr. Richard H. Fox's Trophy—the Queen City Driving Club, have been...

It looks very much now as if the Canadian baseball league will have to be content with the idea of forming an international league, unless, indeed, the Rochester and Buffalo clubs should decide from the New York state league, which at the present moment seems decidedly improbable...

The Irish horse race is not included prior to 1840. In 1843 Irish horse race in the former country was reported in the English Calendar. Since the autumn of 1857 horse races have not been included in the foregoing tables, and since the end of July, 1871, horse races on the flat have not been included. In 1859 nine yearlings ran.

Medical Match on the Coloredonian. A nursing match for a Coloredonian took place on the Mutual street rink yesterday between the Toronto and Galt Granites, two clubs a side. The Toronto Granites won as follows:

General Notes. The Canadian Baseball league will meet at the Hamilton Club on Monday evening, Jan. 28. The Toronto Granites have already mailed their Malcom. Mr. Arthur, of Syracuse, claims that he has signed with the Hamilton Club...

The other day The World remarked that it had heard from several amateur golfers that they would not compete on a course unless their own or any other club making entries for the Richard H. Fox trophy, one and all agreeing that they could not consent to be made advertising mediums for the Fox trophy...

A grand afternoon sport seems to be assured at the inaugural meeting of the Queen City Driving Club at Woodbine park to-day. The track has been put into excellent shape. In fact, considering the two feet or thereabouts of snow that fell on Sunday, wonders have been done. The club numbers one hundred members and twenty of them have made entries for this afternoon, a pretty good representation in all conscience for a new race and a sure indication that the institution more practical than fanciful. Moreover, it is extremely doubtful if a score of better racers than have enumerated could be got together in any other organization outside of the big cities of the States.

Burns Ferry and J. P. Burns. The first race will be called at 2 o'clock sharp.

Press 1886 to 1888. The following table, giving the number of horses of different ages that have run on the English turf from 1777 to 1885, affords opportunity for some interesting comparisons.

What makes you so nervous? My father told me that if you are nervous you are not fit to be a doctor. He said that a doctor should be a man of steady nerves, and that if you are nervous you are not fit to be a doctor.

When so many of our city merchants are advertising their goods in the papers, it is not to be wondered at that one in particular is so prominent. It is the advertisement of the Toronto Granites, and it is a very good advertisement.

Why not order your goods from the work in a system that turns out a perfect fit? The work is done in a system that turns out a perfect fit, and it is a very good system.

An accident or mistake cannot be any more than a misfortune. It is a misfortune, but it is not a disaster. It is a misfortune, but it is not a disaster.

The military branch of our house was founded in 1800. It was founded in 1800, and it has since that time been a very successful business.

Some of the papers of yesterday that the Merchants' Bank intended to charge a conspiracy against Wm. Kyle, now awaiting trial on a charge of conspiracy. So far so good, but it has been made, and Kyle goes on his trial for forgery with the juryman giving the prints to understand that another charge is to be brought against him. That certainly prejudices his chances. It ought to be given a fair show.

St. James' Ward Reformers. The annual general meeting of the St. James' Ward Reformers was held last night in the Young Men's Association Hall in the Arcade. The following officers were elected for the current year: President, R. S. Beard; vice-presidents, W. R. Rogers, Dr. F. W. O'Connor; secretary, R. P. Pashley; treasurer, A. D. Steiner.

Nothing Succeeds Like Success. This is only exemplified in the increasing demand for the "Haller's" Expolator. It is a very good medicine, and it is a very good medicine.
