An Unlocked for Gathering at a New York
Politician's Funeral.

New York, May 26.—Seven women accompanied by eleven children attended the funeral of John Bute Holmes in Plainfield on Monday.
Each asserted that she was his widow and that he was the father of her children. During the Tweed regime Holmes was City Surveyor of New York and some of the maps made by him are the most valuable property he left. He has lived on a little farm on the mountain side near Plainfield for the past twenty-two years, and during the greater part of that time his propensities for "heroic treatment" in correcting his housekeepers and his disagreements with neighbors had involved him in many lawsuits. But it was hard to find an officer brave enough to serve a warrant on Holmes and he was seldom molested. The present Mrs. Holmes was the old man's housekeeper and is in possession of his farm, but it is said the other women will make a legal fight for their share of it.

Mishop Keane, Who Championed the Priest,
Liable to Get Into Trouble.

New York, May 26.—The Commercial Advertiser says: It is reported that Bishop Keane has offended Cardinal Simeoni by championing
Rev. Dr. McGlynn. It is said the latter is
using a letter written by Bishop Keane as a
weapon against the Pope's secretary, and that
it is more than probable the Bishop will share
Dr. McGlynn's punishment, though in another
way. Since the Baltimore Plenary Council
Bishop Keane has been the most prominent
hishop in the American hierarchy. During
the last few months he has secured special
honors from Rome and has been virtually

—Rickle's Anti-Consumptive Syrup stands at the head of the list for all diseases of the throat and lungs. It acts like magic in breaking up a cold. A cough is soon subdued, tightness of the chest is relieved, even the worst case of consumption is relieved, while in recent cases it may be said never to fail. It is a medicine prepared from the active principles or virtues of several medicinal herbs, and can be depended upon for all pulmonary complaints.

SHOT BY A THIEF.

Winnipeg, May 26.—Chief of Police Mc-Winniped, May 26.—Chief of Police McCrae was shot and probably fatally wounded last night by Joe Fant, a notorious cattle thief whom he had arrested. When near the Station House Fant leaped from the Chief's buggy and ran. McGrae fired at him and Fant turned and shot him. The chief fell, but managed to fire again at the fleeing thief, who escaped, leaving a trail of blood on the sidewalk, and has not been recaptured. Fant came here several years ago from New York State.
