FAKE LOTTERIES.

cern That Sells Tickets, But Nevel Sent Out.

A 'fake' enterprise has taken root in the city and should be stamped out by the When the House re-assembled in the authorities. It is the so-called Royal ening the galleries were nearly full and Havana Guarantee Loan Company, of ortly afterwards standing room was at a which John J. Russell of Havana, Cuba, is

shortly afterwards standing room was at a premium. After a few routine matters had been disposed of Mr. Meredith's resolution came up. There was a protracted delay in speaking to the question, during which the Opposition members amused themselves with calling out, "Carried!" "Carried!" and "Call in the members!" The Government side evidently were not for some reason prepared to proceed with the debate. During the interval Mr. McCallum, the P.P.A. representative, entered and was greeted with a round of applause.

"Waiting for division, waiting for some body to speak on what?" asked Mr. Wood of Hastings.

Meanwhile the crowd in the galleries looked on and wondered what was up and why business was at a stand-still.

The rumor ran that the Government was

who return the money by express. No come, and even one's dearest and nearest registered letters are deliverable to the company and no money order will be sold by any postmaster payable to the concern. If the concern ing of a visit at a time when one's friends are ready to receive.

gaged. They are equipped with brains, eyes, ears, arms and fingers—all the paraphernalia of human movement and furniture yesterday and was having them conveyed to his store when a washstand fell from the wagon to the street. Cohen called back to John Thackery, who was standing an ear, to take care of it until his return. Cohen now farges Thackery with having steed as the hory of disappointed out of the gallery, sold the washstand and appropriating the money received for it.

Spilled Oil of Vitriol on His Foot.

John Lyons, who had his foot injured last week while working at 44 Euclid-avente, by spilling oil of vitriol, was taken to the General Hospital yesterday. He will be all right in a few days.

Local Jottings.

Lount and Matthews were hanged 56 years ago to-day.

THE ART OF VISITING. A TALK ON A TOPIC OF SPECIAL IN-

TEREST TO WOMEN. Hint as to the Proper Costume of

Ladies Home Journel, is proven by the fact that there are some people whom we delight in having as visitors, and others whom we dread. Usually the unwelcome visitor is the one who has not taken the trouble to study out the etiquette of friendship—or perhaps I had better say acquaintanceship—who lacks consideration and is bereft of that fine sympathy which is a necessity to pleasant converse, or is so crude in her ideas that when she appears you are Meanwhile the crowd in the galleries looked on and wondered what was up and why business was at a stand-still.

The rumor ran that the Goyernment was witing for Mr. Conmee, who has a bill of his own on the question, but Mr. Conmee and came in and nothing was done for a while. Then Mr. Hardy went over and talked to Conmee for a minute and came back and caucussed with Sir Oliver and Gibson with a result that was indicated by the Speaker's order: "Call in the members!"

The Opposition seats were a good deal better filled than those on the Government side, as the division had not been expected until late, and there was another long wait while the whips were hustling after absentees.

Ol. White as a Humorist.

Meanwhile the crowd in the galleries sive distribution of tickets and literature is money in the business. Men of good reputation are easily got to serve as agents is money in the business. Men of good reputation are easily got to serve as a gents. The etiquette of visiting differs, of course, in different parts of the world. In the city, where the dinner hour is late. The original Louisiana Lottery Company is still doing business all over the United States, though its drawings are made at Puerto Cortez in Honduras. It has an office at Port Tampa, Fla., from which a boat of its own runs to Puerto Cortez. All of its advertising literature is set up in better filled than those on the Government side, as the division had not been expected until late, and there was another long wait while the whips were hustling after absentees.

Ol. White as a Humorist.

Mr. Sol. White, with a broad smile on his round feet of the country proves that there is money in the business. Men of good reputation are easily got to serve as agents in money in the business. mink fur. With this a deep, flaring mink fur. With this a deep, flaring cape of velvet matching the gown in color, and trimmed with mink to match her skirt. The bonnet may be of garnet velvet with a fancy jet trimming just in front, having ties of velvet ribbon caught up under fancy pins. In her hand she will carry a cardcase, but never a purse. The gloves with this costume should be pale gray undressed kid. This gown, of course, is cited for early opring wear.

early spring wear. FOR THE HOSTESS It is Thursd y afternoon, the day you have planned to see your friends. Being

Considerable license is permitted you

in regard to your costume. You may wear an elaborate tea-gown, that, being close-fitting, does not suggest for an instant the idea of its being a neglige, or you can wear a becoming house dress, with a slight train to it.or you may wear just such a pretty afternoon dress, of course without bonnet or wrap, as is worn by your visitors. Personally I think the house dress in best taste. A low bodice, like a man's dress clothes, should be an impossibility before dark.

Bits About Brides.

in England that gloves shall not be worn at weddings by the bride and groom.

This undoubtedly arose from the fact

Small Pill.

Small Dose.

A prayer book is often carried by the bride instead of a bouquet, and in one instance this prayer book was handed

Have you any idea why it is that rats, 126 bags with other necessary articles for traveling, and a mouthful of the contents is occasionally sipped and the mouth rinsed therewith, when it is spatout.

It is considered polite to offer a sip from this gourd to a friend, as a pinch of snuff was formerly in Europe. A friendly native will do so even to an Euglishman, but the writer has never heard of anyone except Major Lewin who has had the courage to accept the compliment. That officer, when Deputy [Commissioner of the Chitterer Hills]. Have you any idea why it is that rats, mice and squirrels are continually gnawing at something? They do not do this for "pure devliment," as people generally imagine, but because they are forced to. Animals of that class, especially the rats, have teeth which continue to grow as long as their owner lives. In the human species the teeth are developed from pulps, which are absorbed and disappear as soon as the second set are full grown, but in the case of the much maligned rat the pulp supply is perpetual and is continually secreting materials

> Found \$500 Under the Sidewalk.
