

O' mum'ry an' hypocrisy,  
 Wi' tykes o' Newfun'lan' maun vie,  
 To reach the jad' by water.

## CHORUS.

The lang cadav'rous phiz compare,  
 The fishy e'e. an' caun'le hair,  
 The puckert snout, an' sneevlin' air,  
     Wad scuunner a Lavater ;  
 Wi' rosy cheek, an' bosom leal,  
 Wi' e'e o' fire, an' front o' steel,  
 Whar honor bright has stamp'd her seal ;  
     You've *Steemilus* an' *Water*.

## CHORUS.

Example rules, the proverb tells,  
 O'er precept cauld, an' aye excels  
 An' we might tire wi' parallels,  
     A folio commentator.  
 We count it fame to join a crew  
 The bauldest hist'ry ever knew;  
 Wha thought nae sin in getin' fou  
     O' ony thing but *Water*.

## CHORUS.
