

WE TAKE ALL THE RISK

All We Ask

is a test, A TEST AT OUR RISK. We know what we have to offer, we know the public. We trust to THE POWER of what we offer. We trust to the public's sense of HONOR AND GRATITUDE. The sick man or woman suffering day by day for the lack of the right kind of help, is glad and happy to pay when they get the help. We know this, we know Vitæ-Ore will help, we know we will get our pay and so we take the risk.

It is not a gamble, not an experiment, not chance, BUT A TEST, and a test that leads to absolute, sure conviction, to assurance, to POSITIVE KNOWLEDGE that Vitæ-Ore is the best medicine on earth for sick and ailing, poor, thin, weak, debilitated, worn-out, Rheumatism-racked, stomach-tortured, kidney-tyrannized men and women. It is a test that leads to unassailable certainty that Vitæ-Ore IS THE RIGHT MEDICINE for him or her who makes the test—a test that leads to our pay and Vitæ-Ore's popularity. THAT IS WHY WE TAKE THE RISK.

You Don't Risk

ONE SINGLE, SOLITARY RED CENT. You must spend two cents for a stamp to write for it or we can not know that you need it, but we will return a two-cent stamp to you after thirty days if you ask us for it. We want the test to be ABSOLUTELY, ENTIRELY AND COMPLETELY FREE OF ANY COST TO YOU if Vitæ-Ore does not help you. We do not want it to cost you one single penny unless the thirty-day TREATMENT BENEFITS YOU, unless it proves Vitæ-Ore the remedy for your ills, as it has proven the remedy for the ills of so many thousands of others. WE DON'T WANT A NICKEL OF YOUR HARD-EARNED MONEY unless you are glad, willing, happy and proud to send it to us for what Vitæ-Ore accomplishes for you. THEN WE WANT OUR PAY AND DESERVE IT, BUT NOT OTHERWISE. We take absolutely all of the risk. We leave it entirely for you to decide, entirely for you to say whether or not we have earned our pay. Read our special offer: read what Vitæ-Ore is: READ WHAT IT HAS ACCOMPLISHED FOR OTHERS and write to-day for the \$1.00 package on thirty days' trial.

Rheumatism For 40 Years.

NOW PERMANENTLY CURED.

TARBROOK MINES, NOVA SCOTIA.

I am over seventy years of age and have been troubled with Rheumatism for about forty years, more than half of my lifetime. For years also my

Liver has been torpid and sluggish and my Digestion bad.

During all this time I tried many so-called remedies, but with no permanent relief.

About one year ago I saw an advertisement of Vitæ-Ore, a remedy I had never before

used, and I sent for a package on trial, as advertised. The trial package gave me such beneficial results that I concluded to give it a thorough trial, to see if it would not entirely cure me.

After taking three more packages, or four altogether, I now feel strong and hearty

with every pain removed from my body. It is over a year since I first tried Vitæ-Ore, so that I have had ample time to judge of the value of my cure, and I heartily recommend Vitæ-Ore to every ailing person as a Godsend to humanity.

READ WHAT VITÆ-ORE IS

Vitæ-Ore in its original condition is an ore-substance—a combination of minerals—mined from the ground—from the EARTH'S VEINS. It contains Iron, Sulphur and Magnesium, three properties which are most essential for the retention of health in the human system, and one package (one ounce) of the ORE, when mixed with a quart of water, equals in medicinal strength and curative value nearly 30 gallons of the most powerful mineral waters of the globe, drunk fresh at the springs. The mineral properties which give to the waters of the world's noted healing and mineral springs their curative virtue come from the rock or MINERAL ORE through which water percolates its way to its outlet, only a very small proportion of the medicinal power in the ORE being thus assimilated with or absorbed by the liquid stream. The rock contains the much-desired medicine, the water serves as the conveyance to carry but a small part of its properties to the outer world. Vitæ-Ore is a combination of these medicine-bearing minerals, powdered and pulverized, and partly soluble in water, the addition of which makes the health-giving liquid drink. It is the marvel of the century for curing disease, as thousands testify, and as no one will deny after using. VITÆ-ORE has cured more chronic, obstinate pronounced incurable cases than any other known medicine, and reaches such cases with a more rapid and powerful curative action than any medicine it is possible to procure. If yours is such a case, do not doubt, do not hesitate, do not delay, but SEND FOR A PACKAGE TO-DAY!

It is Different

from anything ever before offered, from other treatments you have used, as is pure milk from chuk and water or the brilliant sunlight from a tallow candle. It flows like life through your veins, pure as it came from the veins of the earth, and acts in a different manner, cures in a different way. It is different from all others and can be differently offered to those in need—on trial, the user to be the judge—a way sellers of medicine dare not duplicate or copy. Send for a dollar package to-day and test it at our risk. Do not delay, but do it to-day.

Was Badly Crippled.

Goes Back to Work After using Three Packages.

SURGEON FALLS, ONT.

When I first started to use Vitæ-Ore, I could not lift my hands to my face, I was so badly crippled.

Shortly after I began its use I commenced to improve; in about fifteen days I could walk about and climb the stairs, which I had not done for weeks. Before finishing the third package I had gone back to my work and am still working and feeling better than I have for years. In fact I have never felt better in my life.

I had tried much medicine, from doctors both in Canada and the States, but all failed me. It was a lucky day for me that a neighbor, who had been using Vitæ-Ore, told me about it and advised me to try it. I thank God for the good it has done me.

OWES HIS LIFE TO VITÆ-ORE

I owe to Vitæ-Ore that I am alive to-day. For eight years I suffered from Kidney trouble, and I can honestly say that I never knew a well day. I became so bloated and fat that it was burdensome to me to make any exertion, and a continual pain about my heart never left me. It was impossible for me to lie on my left side. In addition to this I was tortured with Rheumatic pains, and even my Digestive Organs were diseased, acute attacks of cramps and neuralgic pains of the stomach being so severe as to threaten death.

Four years ago I was attacked with typhoid fever, and two doctors attended me. They broke the fever and treated me for other troubles, but I became weaker and weaker, and every one thought me past recovery. My family would not give up hope, but persuaded me to try Vitæ-Ore. I began taking it, and the result which they predicted came about. I began to improve at once, and became in the course of a few months a well man, and have continued so ever since. I am able to do the hardest kind of manual labor. My heart never gives me any uneasiness and my cramps, pains and fat are things of the past.

You Don't Pay One Penny Unless You Are Benefited.

WE DON'T CARE if you are skeptical, we care not if you have no confidence, it makes no difference if you give no credence or belief, it matters not even if you lack hope. It takes only a trial—all we ask. It will do the work—it cannot help doing it. Its substances come from out the ground, from the earth's veins, the dust out of which man was first made, and it flows like fire through the veins of the sufferer, the sick and the needy, curing whether the user believes in it or does not believe. If you need it, if you are suffering for it, wasting away day by day, for lack of that help and health which it can bring to you, send for it to-day! It will not cost you one single penny if it does not help. Nothing to begin with, nothing at any time if you are not satisfied. You are to be the Judge! Address,
