The subjoined report of the Standing Committee of Audit and Finance was read and adopted with the exception of the last clause:—

HALIFAX, April 23rd, 1875.

To the Grand Division, Sons of Temperance:

The standing Audit and Finance Committee, desire to report that they this day examined the books, vouchers and accounts of the Grand Scribe and Treasurer, and found the same correct and in satisfactory condition. The committee found their labor very light, as the accounts are kept in a manner easy of comprehension.

The following accounts were examined, and are recommended for payment, viz:

Nova Scotia Printing Company.....	\$89.50
William McNab, for Seals, &c.....	6.60
Jas. Bowes & Sons, for Journals, (as per contract)	46.50
Most Worthy Scribe, for stock & charges thereon	41.53

\$184.13

Of the N. S. Printing Co's account, the which is recommended for payment, the sum of \$69 50 is for Band of Hope stock, ordered by Grand Division, and which the Grand Scribe now has on hand for sale.

The committee respectfully suggest that in future all printing, such as circulars, bills, &c., on account of Agency, be charged to that fund, and not included in ordinary accounts against Grand Division.

Respectfully submitted on behalf of Audit and Finance Committee.

ROBT. T. MURRAY.

The Grand Scribe and Grand Treasurer read the items of their respective financial statements referred to in the foregoing report. They were ordered to be printed in the Journals: (and are to be found in these pages, immediately following the closing of the session.—G. S.)
