

being distributed among the Congregation. The Rev. G. H. Parker had been announced to deliver an address, but was prevented by indisposition, and his place was taken at the last moment by the Rural Dean and the Incumbent, who spoke of the fitness of "such a gift for beautifying the House of God, and also dwelt upon the life of the deceased lady, commemorated by the new Window. At the close of the addresses the Te Deum was sung, and the Benediction was pronounced by the Rural Dean.

At the base of the window is the following inscription: "To the Glory of God and in memory of Charlotte Elizabeth, wife of Rev. Canon Richardson, formerly Incumbent of this Parish, who entered into rest June 17th, 1894."

Canon Richardson delighted and benefited his old parishioners by staying about a month with them, and gave further token of his interest in the place by presenting a pair of fine brass vases for the Altar of St. Paul's Church.

Another addition to the furniture of the Chancel of this Church is a handsome brass Alms Dish, purchased with money kindly offered by the late Mr. Lemuel Pope, not long before his lamented death.

WATERVILLE.

The Rev. G. Hammaraskold, General Missionary to the Swedes in the United States, who recently visited and ministered to his countrymen in and about Sherbrooke, has secured for them a continuance of similar ministrations through the Rev. F. Edward Lund of the same nationality.

Mr. Lund has been a Congregational Minister to the Chinese in their own tongue for eight years and was asked to be a Superintendent of that religious body's Mission Stations in China. But for some time, and especially in the course of the past year, Mr. Lund has been recognizing more and more the claims of an Apostolic and National Christianity, and of the Historic Episcopate, and about three months ago he was confirmed by Bishop Potter, of New York, and is now a Candidate for Holy Orders, and he is destined for renewed Missionary work under the jurisdiction of Bishop Graves in China.

Mr. Lund has his headquarters in Waterville, where the greatest number of the Swedes of these parts are living, and he holds Swedish Services in St. John's

Church, in which he and his countrymen are heartily welcomed, and where they are delighted to worship God and hear His Word in their own mother-tongue.

NORTH HATLEY.

Mr. and Mrs. Edw. Sprigings invited the scholars and teachers of the North Hatley Sunday School to a happy gathering on their promises in the afternoon of Dominion Day. Fine weather, games of all sorts, and tea under the trees, with a whole-hearted hospitality, combined to make the time pass quickly and enjoyably. The young people, through the Rev. E. A. W. King, voiced their hearty appreciation of the generous reception accorded them by their kind host and hostess, and on departing cheered them lustily.

INDIAN MISSION.

There was a royal time the other night at Pointe Bleue, Lake St. John, upon the occasion of the home-coming with his Bride, of Mr. Kirkpatrick, the respected agent of the Hudson Bay Company, and Warden of the little Indian Church. A large number of friends met them at Roberval upon their arrival by train from Chicoutimi after their ascent of the Sagouinay. After dining at Mr. B. A. Scott's, the party was driven to the home of Mr. and Mrs. Kirkpatrick at Pointe Bleue, where the Indians upon the Reserve turned out in full force to welcome them with discharges of musketry, bon fires, etc. The fetes were kept up the following day, when the Bridgroom entertained the whole of the Indians at a *macouchan* or big feast. There was also a war dance, and the whole place around was decorated with flags, etc.
