WHEN a man's sins find him out they tell his friends.

EXTRACT from a Novel.—The notary, meanwhile, as is his custom, walked up and down the garden, with his hands on his back, eagerly perusing a newspaper.

MOTHER: My dear, always remember that it is not good taste to talk about yourself in company. Miss Budd: Oh, I never do. I always talk about the other girls.

CUSTOMER: You said this cloth would wear like iron. I've only worn these trousers two months and now look at this. Do you call that wearing like iron? Tailor: Certainly I do. Ain't they rusty enough to suit you?

By constipation is meant irregu lar action of the bowels, often called costiveness, and commonly caused by dyspepsia, neglect, excess in eating or drinking, etc. It is a serious complaint, and not to be neglected under any circumstance, as it leads to impure blood, headas it leads to impure blood, headache, debility, fevers, etc. A uniformly successful remedy is Burdock
Blood Bitters, which, if faithfully
tried, never fails to effect a prompt
and lasting cure even in the worst
cases. The following extract from
a letter from Mr. Jas. M Carson,
Banff, N.-W.T., will speak for
itself:—"I have been troubled with
constipation and general debility, constipation and general debility, and was induced to use your B. B. B. through seeing your advertisement. I now take great pleasure in recom-mending it to all my friends, as it completely cuted me."

An Englishman was found dead on a Dakota prairie the other day. He had told a friend he was taking home some Indian war paint as a Sioux-veneer. FIRST Detective: How did you

discover that English defaulter's identity? Second detective: I got off a pun and he was the only man in the crowd who laughed at it. SIRS,-For five years I suffered

from lumbago and could gst no re-hef until I used Hagyard's Yellow Oil, and must say I find no better remedy for it. JOHN DESHERDAN, Sandwich, Ont.

"SHALL we try the tricycle or buggy this morning, Laura?" "George, I'm yours for wheel or whoa." AT the Stock Exchange.-First

stock jobber: Shall we go and take something? Second ditto (unthinkingly): From whom?

THE bye-elections have passed by and we can now consider the best protection against disease. There is unrestricted reciprocity of sentiment between all people in Canada in pronouncing Burdock Blood Bitters the very best blood purifier, dyspepsia and headache remedy, and general tonic renovating medicing before the public cine before the public.

FAIR visitor: So you have really decided not to sell your house? Fair host: Yes; you see we placed the matter in the hands of a real estate agent. After reading his lovely advertisement of our property, neither John nor myself could think of parting with such a wonderful and perfect home.

It is a pity the house is not kept as quiet when a man wants to sleep as it is when he is dead, and no noise can awaken him.

THE DREADED LA GRIPPR .-Following this scourge of humanity comes a train of evils in the shape of obstinate colds, coughs, lung troubles, etc. There is no remedy so prompt, and at the same time effectual and pleasant, as Milburn's Cod Liver Oil Emulsion with Wild Cherry and Hypophosphites, which is the latest and best combination of anti-consumptive remedies. Price 50c and \$1 per bottle.

BENI'IN: Professor Comedown I discovered sixty new stars last evening when - Prof. Extatic : Goodness! How wonderful. Why, what a remarkable gift to science and the I world in general. How did he discover them? Bendix: Fell on his back on the ice.

SCRIBBLER Good morning, sir ! A week or so ago I submitted to you a manuscript entitled "The injustice done to authors!" Editor. Yes, I remember it. Scribbler: When I wose that I was tired by an impulse I could not resist. Editor. So was the manus-cript, sir.
