**BUSINESS TRAINING!**

FOR YOUNG MEN AND YOUNG WOMEN AT  
**DAY'S BUSINESS COLLEGE.**

Ac knowledged by business men to be a thoroughly practical Business School. A large number of its graduates and members are occupying responsible positions in Canada and the United States, on their own as well on others' account, and by the satisfactory manner in which they discharge their duties, plainly evince the great benefit to be derived by pursuing a systematic course of instruction in Account and Business practice, under the supervision of a Practical Accountant and a man of business experience, before entering into mercantile life; and to which all, both principals and employees, give their unqualified assent and endorsement.

All who require business training are requested to make special inquiries as to the high reputation the Principal of this College has established, and still maintains, by the thoroughness of his work.
