**THE BOILER INSPECTION & INSURANCE CO.
 OF CANADA,**
 Canada Life Building,

Gentlemen:— Toronto, Ont.
 We have much pleasure in signifying our
 very high appreciation of the valuable engineer-
 ing services rendered to us by you during the
 period our boilers have been insured.

We consider that any of your Policyholders
 who choose to take advantage of services that
 are practically free to them, will receive far more
 than full value for the premiums paid by them.

Personally we cannot speak too highly of
 the advantages we have derived from your advice
 on several occasions, advice which has been the
 means of saving us considerable money.

Yours truly,

THE ONTARIO LUMBER CO., LIMITED.
