## PUBLIC MEETING AT WINDSOR.

On Wednesday evening the 7th inst., the most numerous meeting of the Roman Catholics, ever witnessed at Windsor, took place for the purpose of expressing in public their great esteem and respect for his Lordship the Rt. Rev. Dr. Walsh.—The large room was crowded to excess, the Catholics, without a single exception, from many miles round, were assembled, all vying with each other in the warmth of their approbation of the resolutions and address they were adopting, and in their unfeigned devotion to his Lordships authority and person; the greatest unanimity prevailed throughout, not a single voice in opposition to the general feeling was heard—in a word, nothing was wanting in sympathy, nothing in their cordial affections, for his Lordship, nor any thing wanting in their abhorrence of the works of those who endeavour to calumniate and to obstruct his Lordship, at about half past 7 o'clock, the Chair was taken by the Rev. L. Byrne, on the motion of Mr. Michael Daley, and the meeting proceeded to business.

Proposed by Mr. Edward Smith, and seconded

by Mr. Patrick Lynch, and carried without a dissentient voice.

Resolved, That this Meeting look upon the effusions of an anonymous scribbler in the Novascotian of the 23d and 30th ultimo, signed "A Catholic Teetotaler," as a base calumny, the offspring of jealousy, ambition, and intense malice, generated by disappointment, and therefore unworthy of any other notice from us, than that of indignant contempt.

Proposed by Mr. Richard Hackett, seconded by Mr. Garret Cronan, and passed with the greatest enthusiasm.

Resolved, That this Meeting do most sincerely and most cordially sympathise with his Lordship Dr. Walsh, not only in this, but in the many other indignities which his Lordship has endured since his arrival on our shores, and that from wicked men who call themselves Catholics, and that we humbly offer his Lordship our warmest and most devoted attachment to his authority and person.

Proposed by Mr. John Doran, and seconded by Mr. Timothy Lynch, and carried unanimously.

Resolved, That a copy of the above resolution be respectfully presented to his Lordship, together with an Address founded on them, expressing our deep sympathy in his Lordship's sufferings, our contempt of the efforts to malign him, and our unlimited confidence in his zeal, piety, learning, and conciliatory spirit,—in a word, that we believe his Lordship every way qualified for the discharge of the sacred and arduous duties committed to him.

Proposed by Mr. John Morrissey, and seconded by Mr. Edward McNamara, and carried unanimously.

Resolved, That a deputation of five of our body, Rev. L. Byrne, Messrs. Michael Daley, Timothy Lynch, Michael Doran, and John Murphy, wait on his Lordship, the Rt. Rev. Dr. Walsh, to present him our address.

WINDSOR, Nov. 7, 1843.

My Lord,

We, the Catholics of the Parish and District of Windsor, in full meeting assembled, do humbly beg leave to offer to your Lordship this tribute of our most cordial affection, of our most ardent and unchangeable attachment to your Lordship's per-
