

# Kodak Quality.

Some watches sell for \$2.50. But the purchaser of a \$50.00 time piece gets more for his money than the man with the cheap watch. It's the same with cameras.

The Kodak lenses are alone worth more than some cameras which the manufacturers claim to be "as good as a Kodak." Kodaks are standard in hand camera values—because they make good pictures—because they are durable, reliable.

We make cheaper cameras too. Simpler in construction than the Kodaks but splendidly made, and fitted with high grade lenses. A 100 page, hand-somely illustrated Kodak-

alogue fully describes our 21 styles and sizes of hand cameras. **Postal gets it.**

## The Illustrated Express

was the first paper of its kind, and it continues to be the best.

It combines the attractiveness and excellence of high-class magazines, with the essentials of a first-class daily newspaper.

It covers an outside field unattempted by any other Buffalo paper.

It issues a special Canadian Edition every week.

It spends more money for Art, Literature and News than all the other papers of Buffalo put together; but

The people like it, and they're going to like it better this year than ever before.

It is the best advertisement Buffalo ever had, and will continue to be. If you want to know about Buffalo at any time, read THE ILLUSTRATED BUFFALO EXPRESS.

Whether reader or advertiser, if you want to get the best, don't miss THE ILLUSTRATED BUFFALO EXPRESS.
