**BEATTY'S TOUR OF THE WORLD.**

Ex-Mayor Daniel F. Beatty, of Beatty's Celebrated Organs and Pianos, Washington, New Jersey, has returned home from an extended tour of the world. Read his advertisement in this paper and send for catalogue.

**BEATTY**

Dear Sir:—We returned home April 8, 1899, from a tour around the world, visiting Europe, Asia, (Holy Land), India, Ceylon, Africa (Egypt), Oceania, (Island of the South) and Western America. Yet in all our great journey of 25,974 miles, we do not remember of hearing a piano or organ sweeter in tone than Beatty's. For we believe we have the sweetest toned instrument made at a very low price. Now to prove to you that this statement is absolutely true, we would like for any reader of this paper to order one of our matchless organs or pianos, and we will offer you a great bargain. Particulars Free. Satisfaction GUARANTEED or money promptly refunded at any time within three (3) years, with interest at 6 per cent. on either Piano or Organ, fully warranted ten years. 1870 we left home a penniless plowboy; to-day we have nearly one hundred thousand of Beatty's organs and pianos in use all over the world. If they were not good, we could not have sold so many. Could we! No, certainly not. Each and every instrument is fully warranted for ten years, to be manufactured from the best material market affords, or ready money currency.
