Volume. Sent free by post to any part of the United
States.
In presenting to the American public, a first edi-
tion of the Works of Gerald Griffin, the Publishers
may remark that it will be found to be the ONLY
complete one. Neither in the London nor Dublin editions,
could the Publishers include the historical novel of
"The Invasion," and the celebrated tragedy of "Gys-
sippus." As we are not subject to any restriction
arising from the British copyright, we have included
the former with the prose, and the latter with the
poetical works of the Author.

We are also indebted to near relatives of Mr. Grif-
fin, residing in this country, for an original contribu-
tion to this edition; which will be found gratefully
acknowledged in the proper place.
As the life of the Author forms the subject of one
entire volume, we need say little here, of the uncom-
mon interest his name continues to excite. Unlike
the majority of writers of fiction, his reputation has
widely expanded since his death. In 1840, when he
was laid in his grave, at the early age of seven and
thirty, not one person knew the loss a pure Literature
had sustained, for fifty who now join veneration for
his virtues, to admiration for his various and deligh-
tful talents. The goodness of his heart, the purity of
his life, the combined humor and pathos of his writ-
ings, all promise longevity of reputation to Gerald
Griffin.

"He had kept
The whiteness of his soul, and so men o'er him wept."
He united all the simplicity and cordiality of Oliver
Goldsmith to much of the fiery energy and manly
zeal of Robert Burns. His life does not disappoint the
reader, who turns from the works to their author: it is
indeed, the most delightful and harmonious of all his
works. From his childish sports and stories by the
Shannon, until his solemn and enviable death beside
"the pleasant waters" of the Lee, a golden thread of rec-
titude runs through all his actions. A literary ad-
venturer in London at nineteen, with a Spanish tra-
gedy for his sole capital, famous at thirty, a religious
five years later, a tenant of the Christian Brothers
Cemetery at thirty-seven—the main story of his life
is soon told. Over its details, and often return to
contemplate so strange and so beautiful a picture. Out
of his secret heart they will find sentiments issuing
not unworthy of St. Francis de Sales, while from
his brain have sprung creations of character which
might have been proudly fathered by Walter Scott.

Canvassers wanted in every part of the United
States and Canada to Sell this Work.
