Will be ready on the 20th of March, (NEW AND REVISED EDITION), THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Count de Montalembert.

The Press have been unanimous in praise of the first edition. We give extracts from a few of them: 'The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work.'

'The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of the dear St. Elizabeth, (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart.'

This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work.

EDUCATION.

MR. ANDERSON begs to inform the citizens of Montreal, that his AFTERNOON CLASSES are now open for the reception of Medical, Law, and Commercial Students. A special hour is set apart for the instruction of young gentlemen desirous of entering the Army. In testimony of his zeal and abilities as a Classical, Commercial, and Mathematical Teacher, Mr. A. is permitted to refer to Rev. Canon Leach, McGill College; Rev. Mr. Rogers, Chaplain to the Forces; Col. Pritchard; Captain Galway; the Rev. the Clergy, St. Patrick's Church; the Hon. John Molson; Dr. Hingston, and Rector How, High School.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY. For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scalds, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days.

For Scales on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.

For Scabs: these commence by a thin, acid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.

For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

AMOS LEE, Esq. Montreal, La., writes, 31 Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief, finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

AYER'S CATHARTIC PILLS. THEIR virtues of Chemistry and Medicine have been tested by their success in producing the best, most perfect purgative medicine known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they will unpreparedly upon the system of all men.
