

Who is N. H. Downs?—He is, or, rather, was a public benefactor, a philanthropist. He is now dead, but he has left behind him a monument more lasting than brass or marble. His memory is enshrined in the hearts of a grateful people, and his Balsamic Elixir is, or ought to be, a household treasure in every family. It is a certain cure for coughs and colds. See advertisement in another column.

TIME WILL TELL.—Yes, that is the sure test. That which does not appear plain to-day, may be thoroughly cleared up in a short time. Our certainties and uncertainties are all to be decided by time, which never fails to bring out the truth or falsity of any matter. For five years the Vermont Liniment has been before the public and their verdict has always been steadily in its favor. Use it for pains both internally and externally. It is warranted.

John F. Henry & Co. Proprietors, 303 St. Paul St. Montreal, C. E.

COMPLEXION.—It is an impossibility for any person afflicted with a diseased liver, or with any disorder of the digestive organs, to have a good or clear complexion. "HOOPLAND'S GERMAN BITTERS" will remove all disease from the liver and digestive organs, and, by thus giving health and strength to these organs, remove that sallowiness of appearance to the skin noticed in so many. These Bitters are prepared by Dr. C. M. Jackson, Philadelphia, Pa., and sold by all druggists and dealers in medicines.

DYSPEPSIA AND CONSUMPTION.—Which of those diseases occasions the victim the most suffering? The dyspeptic will say the former. It is, therefore, a consoling fact, that Oxygenated Bitters cures this most distressing complaint.

ANOTHER MEDICAL TRIUMPH.—Wonderful cure of Rheumatism. No disease is more agonizing than Rheumatism; none more difficult to relieve; yet a case which, for thirty years, had baffled the Faculty, has it appears, been completely cured. The particulars are given, with expressions of astonishment at the result, in many of the western journals. They state that John Roche, of Cleveland, Ohio, aged fifty-six years, had, for the greater part of his life, endured torments of the most terrible description. His limbs had been racked, and contorted by pain and muscular contractions, until his knee-joints were of the size of a man's head, and his fingers knotted and drawn up, until they resembled the claws of a bird of prey more than human hands, while a scrofulous tendency in the blood was indicated by blotches and pustules on various parts of his body. In this dire condition he began to use Bristol's Sugar-Coated Pills, in conjunction he began with that grand antidote to the virus of scrofula, Bristol's Sarsaparilla. Eleven vials of the Pills, and eight bottles of the Sarsaparilla, relieved him from every vestige of pain; and, although his limbs and joints have been only partially relaxed (for they were beyond absolute cure), he is now well, cheerful, and able to attend to his business. The Pills are put up in glass vials, and will keep in any climate. Both medicines are obtainable of all druggists.

MURRAY & LAMMAN'S FLORIDA WATER.—Perfumes are the poetry of the toilet, and persons of elegant tastes and refined perceptions, are always more or less fastidious in the choice of these articles. The ladies of Spanish America, who are critical in such matters, have for a number of years given the preference to this odoriferous Toilet Water. Until lately it has been manufactured almost solely for South and Central American consumption, but its superiority over the oppressive perfumes of Europe having been discovered in the country, a demand has been created for it which the proprietors are now using their utmost exertions to supply. Besides its merits as a delicious fragrant, it is, when blended with water, an excellent preparation for the skin and an admirable dental wash.

VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE WORTH A MILLION.

An Old Physician's Testimony.

READ: Waterbury, Vt. Nov. 24, 1858.

Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. H. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or a Cold, for the Croup, Whooping-Cough, and all diseases tending to Consumption, and to the Profession as a reliable article.

I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

WONDERFUL!

DEVINS & BOLTON, Druggists, next the Court-house, Montreal, have received the following letter from Mrs. M. J. Nolin Heroux, confirmed by her husband, and E. Roy, merchant of St. Phillips, Laprairie, of a wonderful cure by BRISTOL'S SARSAPARILLA:—

Sir,—The present is to certify that I, M. J. Nolin, 40 years of age, wife of M. Heroux, N. P., have suffered for a year with violent palpitation of the heart, sudden chills, extreme heat and cold in various parts of the body, attended with great pain, particularly in the arms; my pulse was very variable—very slow or quick; frequently a tendency to faint, with a sense of suffocation; sleep troubled; irritable, and very low spirits. I tried several medical men without deriving any benefit, and they all concluded by giving me up. In July last I saw in the papers Bristol's Sarsaparilla, "Blood is Life." I purchased five bottles at your store, which afforded me relief from the first dose. A substance resembling very fine white sand came from my legs in quantity, after which I recovered my nearly lost faculties, and was free from pains, palpitations, and chills, and perfectly cured of my affliction in ten weeks. I am convinced of the superiority of this remedy over all others, and I feel it my duty to recommend it to all troubled with similar afflictions.

WISTAR'S BALSAM

—OF—

WILD CHERRY

Has been used for nearly

HALF A CENTURY.

With the most astonishing success in Curing

Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of

THE THROAT, LUNGS AND CHEST,

Including even

CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the "medicinal gum" of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RACINE, Esq., of the Minerve:—

Montreal, C. E., Oct. 20, 1858.

S. W. Fowle & Co., Boston—Gentlemen,—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence.

Your obedient servant, L. J. RACINE.

CURE FOR WHOOPING COUGH.

St. Hyacinthe, C. E., Aug. 21, 1856.

Messrs. Seth W. Fowle & Co., Gentlemen,—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours,

P. GUILTE,

Proprietor of the Courier de St. Hyacinthe.

JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C. W.

I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints.
