

PLATINUM WIRE.—The following experiment was made by Dr. Wollaston, to illustrate the extraordinary ductility of platinum: A wire of platinum 1.100th of an inch in thickness coated with silver one-fifth of an inch in thickness, was drawn out as long as possible without rupture, and the coating of silver carefully removed with the aid of boiling nitric acid; it was found, on trial, that 2,000 feet in length weighed only 1 gr., and that a single silkworm's thread possessed a thick equal to 140 such threads of platinum. Now, as each foot contains 144 lines, and as the one tenth of a line is readily visible to the naked eye, it follows that a single grain of platinum can be divided into 4,320,000 parts, each of which is distinctly visible.

FLESH-DEVOURING MALADIES.—Cancer is one of the most horrible. As soon as there is the slightest reason to suspect its presence, resort to BRISTOL'S SARSAPARILLA. Whether the external appearance that excites suspicion is Cancer or not, they assuredly betoken the presence of the unhealthy matter in the blood; and this unequalled depurative will eradicate them, by eradicating their causes in the circulation. Every tumorous, cancerous, and ulcerous malady, and every scrofulous, erysipelitic, scorbutic, and leprous eruption, can be controlled by this wonderful detergent. It may be called almost a certain remedy, which is more than can be said of any other known medical agent. By using BRISTOL'S VEGETABLE PILLS at the same time with the SARSAPARILLA, a cure will be much hastened.

A REVOLUTION IN CATHARTIC TREATMENT.—Thousands of persons regard aperient pills as a species of medicine that destroy their own efficacy by repetition. In other words, they suppose that, however moderate may be the number taken at first there is no escape from wholesale doses in the end. BRISTOL'S SUGAR COATED PILLS, however, are a grand exception—the only one—to this general rule. The doses are always moderate, four being the usual number of pills for an adult, and six the largest dose. The effect they produce is permanent, and it is not necessary to continue them, in order to prevent a relapse. For constipation, sick and nervous headache, bilious disorders, chills and fever, stomach complaints, general debility, colic, and the irregularities of the system, they are a specific cure. This may be received as a rule to which there are no exceptions.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

THE PROGRESS OF A LUXURY.—For thirty years the fashionable world has been perfumed with MURRAY & LANMAN'S FLORIDA WATER, and its fame has been spreading as time flew. Having taken precedence of all other toilet odors in the United States, it passed to the Southern Peninsula, and thence to all Spanish America, continental and insular. When California became a State, she demanded it; and then Australia received it. With every civilized community in the Western world its name is a household word, its fragrance and refreshing power a household blessing. And still its reputation extends, and is likely to extend, to wherever an exquisite floral perfume is appreciated.

Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. THE FLORENCE NIGHTINGALE OF THE NURSERY.—The following is an extract from a letter written by the Rev. U. Z. Weizer, to the German Reformed Messenger, at Chambersburg, Penn.:

A BENEFACTRESS.—Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Suz' to say, 'A Blessing on Mrs. Winslow, for helping her to survive and escape the gripping, colicking, and testing siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Gordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is dragged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists.

A 'COUGH,' 'COLD,' OR IRRITATED THROAT if allowed to progress, results in serious Pulmonary and Bronchial affections, oftentimes incurable.

PROSPECTUS OF MASSON COLLEGE, TERREBONNE, NEAR MONTREAL.

THE object of this institution is to give to the youth of this country a practical education in the French and English languages. The course of instruction embraces the following branches, viz:—Reading, Writing, French and English Grammar, Geography, History, Arithmetic, Book Keeping, Practical Geometry, Architecture, Music, and Drawing.

The course is of five years, commencing by an Elementary class, in which pupils of seven years are commonly admitted. Every pupil capable of studying, and furnished with good moral recommendations, is received in the institution without distinction of religion; strict conformity to the rules and discipline of the house being required of all.

All matters are studied in English as well as in French, in order that the pupil may become proficient in both languages. Particular attention is given to the teaching of French to the English pupils, a professor being specially charged with that branch; their progress is rapid, as may be known from the fact, that many who, at the commencement, knew not a word of French, were, towards the end of the year, able to speak and write it tolerably well.

Pupils are boarded in the house; bed and bedding furnished at the desire of the parents. Particular attention is paid to the food, health, and cleanliness of the scholars, and all that pertains to their religious, moral, and domestic education.

Board and Tuition \$80 per annum. Bedstead, Bed & Bedding 5 do. Washing 5 do. Music and Piano 20 do. Drawing 20 do.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling. They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake planted all the rocks in the Eastern States with his cabinet "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing disgracing the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are dearth on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

SARATOGA SPRING WATER, sold by all Druggists. "In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. The Mexican Mustang Linctum relieved the pain almost immediately. It healed rapidly, and left very little scar." CHAS. FOSTER, 420 Broad St., Philadelphia.

WHAT DID I?—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. IMPORTANT TESTIMONIAL FROM J. E. GUILLEAULT, Montreal, Jan. 30th, 1866. A few applications of the Restorer entirely CURED me, and STOPPED THE HAIR from falling off. My family have also used it with great satisfaction, and I give it the preference over any other article I have ever used as a Cosmetic or Hair Restorer.
