**Mercantile Summary.**

THE firm of Verity & Sons, of Exeter, Ont.,  
has received an order from Manitoba for seven  
hundred ploughs.

THE bankrupt general stock of Snively &  
Crites, of Oil Springs, valued at \$3,209, was  
sold last week to A. Wilson, of Petrolia, at  
72 1/2 cents on the dollar.

THE largest manufacturing company in Eng-  
land is that of Bolokow, Vaughan & Co. The  
company employ 13,075 workmen, and the  
annual pay-roll is \$4,500,000.

HENRY GARDNER, general dealer of St. Ferdi-  
nand de Halifax, Que., assigned to the court,  
with liabilities of \$2,481. He was some years ago  
in quite a large way of business, but failed in  
1888, when he compromised liabilities of \$20,-  
000 odd, at 45c. on the dollar.

THE new I.C.R. time table goes into effect on  
Monday. Says a St. John paper: "Hereafter  
the Quebec express will be known as the Chi-  
cago express, the St. John train will be called  
the Atlantic express, and the C. P. R. the  
Pacific express—most appropriate names."

A FIRM of stone-cutters in Berlin has intro-  
duced a pneumatic chisel. The workman  
holds the spring-like apparatus with both  
hands, and, as he slides it over the surface of  
the stone or metal, the chisel, making 10,000  
or 12,000 revolutions a minute, chips off  
particles.

ANOTHER lot of contraband whiskey was cap-  
tured by a Government officer on board a small  
yacht going down the river St. Lawrence near  
Quebec, at an early hour Monday morning  
last. The seizure comprises 20 cases of gin  
and 18 barrels of whiskey, in all valued at  
about \$3,000, and is supposed to be part of the  
cargo of the schooner seized last week.
