NEW METAL ROOFING

ARCHITECTS AND BUILDERS have long been looking for an improvement in Metal Shingles—Shingles that may be relied upon to keep out the weather and possess Durability and Good Appearance.

We offer our Patent Safe Lock Shingles as Perfection in Metal Roofing.

They interlock one another on all four sides, leaving no ends to stick up, consequently give a roof a neat and finished appearance. And are guaranteed to be Absolutely Weather Proof.

We make them in Steel or Galvanized Iron, 26, 28 and 30 gauge. Small samples showing construction mailed upon application.
