

Mr. G. K. Fraser's conservatory with adjoining glass enclosed pergola, connected to garage, at Hamilton, Ontario.

Recently Erected by Lord & Burnham

BEHIND us is over a half century's experience in the designing and manufacturing of Greenhouses and Conservatories. This experience, combined with our manufacturing facilities at our new factory just finished at St. Catharines, Ont., puts us in a position to construct the best greenhouses for the least money of any greenhouse company in the world.
