

Safford Radiators

For Steam or Hot Water Heating.

THE QUEEN OF RADIATORS

SAFFORD "FLORENCE" RADIATOR

The most satisfactory heaters in the world

They are in use in every country under the sun where artificial heating is necessary.

They have been installed in many public buildings of importance in the British Empire and Continental Europe.

Send for the Free Booklet.

THEY ARE MADE ONLY BY

THE DOMINION RADIATOR COMPANY, Limited

TORONTO, CANADA.
