Financial Progress of Ontario and Quebec Provinces

A striking illustration of the financial progress throughout the two older provinces of the Dominion during recent years, with respect to banking facilities, is graphically shown in a new edition of a Bank Map of Ontario and Quebec which has recently been issued by the Department of the Interior at Ottawa. According to the information which has been incorporated in the publication the number of branches in operation in 1901, the first year for which statistics of this nature are given, totalled approximately 500, in comparison with 2,000 at the present time. This interesting compilation of current banking information is valuable also as a Railway Map showing as it does the location, on the various main and branch lines, of all towns and cities. This, together with other general information, makes the publication very useful for reference purposes.

A copy may be procured free of charge upon application to F. C. C. Lynch, Superintendent of the Railway Lands Branch, Department of the Interior, Ottawa.
