

- (v) ensuring that foreign investment and registration procedures are not unnecessarily burdensome.
 - (e) assist in identifying appropriate sources of possible project financing;
 - (f) facilitate, where appropriate, the staging of industrial fairs, exhibitions and other promotional activities;
 - (g) encourage business communities, particularly medium-sized enterprises, in their efforts to develop joint business activities;
 - (h) facilitate, in accordance with national laws and regulations and on the basis of reciprocity, the entry and exit of public and private sector experts, investors, business representatives, scientists, technicians as well as material and equipment necessary for the fulfilment of activities falling within the scope of this Agreement;
 - (i) encourage joint activities between Canadian and Vietnamese enterprises and organizations in exporting to third countries;
 - (j) review impediments to trade and investment which might hinder achievement of the objectives of this Agreement with the aim of eliminating such impediments.
3. Promote and improve economic cooperation between Canada and the Socialist Republic of Vietnam through appropriate channels in accordance with each Party's economic and development policies and priorities, by encouraging, supporting and facilitating:
- (a) the exchange of information on technologies and know-how;
 - (b) the industrial application of research and development results and the transfer of technology in order to promote the application, adaptation and improvement of existing and new high technology products, processes and management skills;
 - (c) initiatives to improve quality control and standards for products, notably for export;
 - (d) the conclusion of licensing arrangements and industrial consulting agreements between the private sector of Canada and other sectors of the Socialist Republic of Vietnam.
