

ARTICLE 10**Dividends**

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.
2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if a resident of the other Contracting State is the beneficial owner of the dividends the tax so charged shall not exceed:
 - (a) 5 per cent of the gross amount of the dividends if the beneficial owner is a company that controls at least 10 per cent of the voting power in the company paying the dividends;
 - (b) 15 per cent of the gross amount of the dividends in all other cases.

The provisions of this paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means:
 - (a) dividends on shares including income from shares, "jouissance" shares or "jouissance" rights, mining shares, founders' shares or other rights, not being debt-claims, participating in profits, and
 - (b) other income which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident, and for the purpose of taxation in the Federal Republic of Germany, income derived by a "stiller Gesellschafter" (sleeping partner) from the partner's participation as such, income from a "partiarisches Darlehen" (loan, with interest rate linked to borrower's profit) or "Gewinnobligationen" (profit sharing bonds) and similar remuneration which is dependent on profits as well as distributions on certificates of an investment trust.
4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Where a company which is a resident of a Contracting State and not also a resident of the other Contracting State derives profits or income from the other State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.
