

8. How many Public Servants are now in receipt of pensions from the fund and what is the amount of the average pension?

9. Have any of the public service alliances or the government made studies contrasting the federal plan with similar plans in private industry and, if so, is there any disparity between the government sponsored plan and private industrial plans?

Mr. Forest, Parliamentary Secretary to the President of the Privy Council, presented,—Return to the foregoing Order.

The House resolved itself again into Committee of Supply.

(In the Committee)

The following resolutions were adopted (less the amounts voted in Interim Supply):
