**BUSINESS OF THE HOUSE**

**Mr. Chevrier:** May I ask what the business will be for the rest of the week?

**Mr. Nowlan:** I do not know that I can answer it for the rest of the week but tomorrow we will carry on with the debate which we have been carrying on today. I understand there have been discussions which will indicate that on the following day we will take up the appointment of committees. If that business is not completed on Wednesday we will carry on with it on Thursday and follow with legislation.

**Mr. Chevrier:** May I call the attention of the acting house leader to the fact that Thursday is private members' day.

**Mr. Nowlan:** We shall have to conclude the motion on Wednesday and then go into private members' day.

It being seven minutes after ten o'clock the house adjourned, without question put, pursuant to standing order.
