

*Proceedings on Adjournment Motion*

Commission to instal floodlighting at memorials and crosses of sacrifice. There are some 22 crosses of sacrifice throughout Canada and no provision has been made for the floodlighting of any of them.

As I said this afternoon in reply to the hon. member's question, there are no funds provided in my department for this purpose. It has always been felt that local initiative could be enrolled and should be enrolled for this type of embellishment, thus creating more local interest in the memorial. I am sure that the hon. member, with his power of persuasion and his very civilized manner

which I regard very highly, could succeed in enlisting the support of local veterans' associations and community associations. I am sure this would be a great source of satisfaction to himself as well as stimulating local interest in the monument—not only in the monument but in the supreme sacrifice of those to whom it was erected. If the hon. member wishes to tackle other departments on the subject I can only wish him good luck, but my advice is that he should try to enlist local support.

Motion agreed to and the House adjourned at 10.06 p.m.
