

OFFICE OF THE PRESIDENT

VANCOUVER, CANADA

June 14, 1926.

Sir Arthur Currie, G.C.M.G., K.C.B.,
President and Vice Chancellor,
McGill University,
Montreal.

Dear Sir Arthur :

In the absence of Dr. Klinck, I beg to acknowledge receipt of your letter of June 7 referring to Mr. Fulwell. I shall be very glad to do anything I can for Mr. Fulwell on his arrival in British Columbia.

I am forwarding your letter to President Klinck for its personal references. His present address is Stouffville and he expects to be in the East until at least early in July. Whether he remains longer will depend on Mrs. Klinck's health. If she is able to join him, they will take a holiday in the East.

Yours very truly,

R. W. Brock

Acting President.
