Dear Mrs. Duckworth,

I have been told that the Montreal Theatre League will in the near future make an announcement of those sponsoring the League.

I am writing this letter to ask you to make doubly sure that my name is not used in any public way, either as a patron or as one of those sponsoring the effort.

I do not like the way in which the matter is being placed before the public, and I wish to have nothing whatever to do with it.

Ever yours faithfully,

Principal
