CANDIDATES NOMINATED FOR MUNICIPAL OFFICES THRUOUT ONTARIO

Nominations were held yesterday in all the municipalities thruout Ontario except in one or two of the larger cities, where the elections are held, as in Toronto, on New Year's Day. As will be seen by the lists of mayors and reeves elected by acclamation, elections will not be held in at least a score of places. The general opinion in the places where all councils were elected by acclamation was that this was a bad year to go to the expense of an election, and by mutual agreement, the mayors, reeves and councils were returned unopposed. The elections in the places where nominations were held yesterday will take place next Monday.

COMMISSION GOVERNMENT

Retiring Mayor of Guelph Strongly Urged Its Adoption.

Special to The Toronto World.

GUELPH, Ont., Dec. 28.—Considerable interest was manifested in the municipal nominations here today and four candidates for the mayor's chair were placed in nomination. Probabilities are that the contest will be a three cornered one, Mayor Carter being satisfied with a two years' term.

Ald. Newstead has been canvassing for several months, but his name was not placed in nomination today. There were thirty-seven men nominated for aldermen, of whom eleven will have to be elected.

G. B. Ryan was elected as water commissioner by acclamation as was also Geo. Sleeman as light and heat commissioner. There are three candidates for sewerage and public works commissioner.

Mayor Carter delivered a lengthy address to the electors in course of which he reviewed the works of past two years, and in closing strongly recommended that the various commissions be brought under one head, with that body handling all the municipal business of the city, with one clerk and one treasurer. The sooner this system is inaugurated the better for the City of Guelph.
