SOUTHERN STORMS. Enriber Details of the Terrible Vis tation and of the Suffering and Loss.

A Harrowing History of Which the Worst is Not Yet Known.

ST. Louis, Oct. 6.—A Republic special from New Orleans says: The return of several relief parties sent to the storm-stricken districts of the State fully confirms previous views, and the corrected lists put CHICAGO. Oct. 7.—Eminent leaders on and the Matabeles. People in London who

NEW ORLEANS, Oct. 6. - In the Point la

Hache country the death list swells to 80, with a prospect of reaching 100 before all are heard from. At Shell Beach and St. are heard from. At Shell Beach and St. Malo island the loss is about 30. In Mississippi sound and vicinity probably a score are reported, Chantelour island was swept, with great loss to life and property. The loss of life in the Bayou Cook country will approximate 200. The country is swept clear of houses and scores of fishing smacks were destroyed. The news from Grand isle this morning places the loss of the l swept clear of houses and scores of fishing smacks were destroyed. The news from Grand isle this morning places the loss of life there at not above 25, all being negroes. The property damage is about \$100,000. At Cheniere, with a population of about 1,400, the loss of life is from 900 to 1,000. Seventy-two were drowned in the Chinese camps on the Bayon Sente nese camps on the Bayou Sente and at Bayou Andre. It is estimated

mid-winter fair committee met this morning. The discussion covered a wide range, result ing in an expression of the utmost confi-dence in the final success of the fair, both artistically and financially.

LOSS OF THE LEONORE.

A Well Known South American Vesse Wrecked—Captain Meyers and Wife and Four Seamen Drowned.

PORT TOWNSEND, Oct. 6.—(Special)—The Chilian bark Leonore, from Iquiqui for Moodwille, to load a return lumber cargo, was wrecked Wednesday morning abou three miles north of the Quillayute river, on the Washington coast, where she now lies

The vessel was caught in a westerly gale, and the captain losing her bearings she drifted on the rocks and soon broke up. Captain Meyers, his wife and four seamen were drowned, the body of Mrs. Meyers being subscoughtly washed ashers and recovery ing subsequently washed ashore and recovered. The survivors of the crew, nine men in all, walked to Neah Bay, where they arrived this afternoon.
Chilian Consul Macondray left for the

scene of the wreck to-night on the tug Dis The Leonore is well known in British Col umbia, having been here several times for lumber cargoes. It is believed, though not known definitely, that on the present occasion she was under charter to Welch & Co., of San Francisco, to load for her home

from the city.

"Frightful outrages are being perperented by a policies, who are comthe Government that energetic action is expected, as the people are growing angry at the spparent coldness of Mr. Gladstone's ministerial associates. This evening it was announced that the Marquis of Ripon, secretary of state for the colonies, had sent a dispatch notifying the officials to consider the affair at Shastos as a hostility against Great Britain, which justified declaration of war against King Lobengula, of Matabele land. The announcement created the greatest excitement at the clubs, hotels and theattree, where England's latest "little war is are beyond restraint. They have killed defenceless persons and carried on a general plundering raid on stores and private residences. Squads of armed soldiers are soouring the city in search of recruits and artisans, clerks and merchants are being pressed into service on all sides and made to man the batteries and fight for the government. Other detachments of Peixoto's troops, under direction of the president's chiefs, are seizing prominent persons, who are known to be in sympathy with Mello, and throwing them into jail. These expeditions abound in chances for the soldiers to indulge unchecked in the most atrooious abuses. All of the English residents of the oity have been warned by the British minoity have been warned by the British min-ister to escape from Rio, as the fleet has given notice of its intention to continue the bombardment.
