SUMMER SESSION.—Several enquiries having been made on the subject, the Principal has decided to hold, this year, a Summer Session.

The extensive grounds of the College, and its pleasant and healthful situation, render it a most desirable place of summer resort. The study hours will be so arranged as to leave ample time for recreation, and to avoid the heat of the day.

The Session will extend through the months of May, June, July and August. Charge—including Tuition, Board, Laundry, &c.—\$100, or in proportion per month.

VISIT OF THE GOVERNOR-GENERAL.—As it is expected that the College will be visited by H. E. the Marquis of Lorne, Governor-General of Canada, and H. R. H. the Princess Louise, at the close of September, the Commandant desires that all pupils entering, or returning to the College, will be prompt in attendance. Fall Term commences Sept. 15th.

New Pupils requiring uniform should forward their measurement, taken by a good tailor, accompanied by a draft for the amount, in due time to ensure their being equipped immediately on arrival.
