"Nearly all the flat lands will be given to the city, and evenually the swampy portions will be dredged and the material thrown up on the banks so as to make a series of islands from Bloor-street to the lake, and on these islands, connected by short bridges, the boulevard will run."

"The building lots on the high bank are laid out on a generous scale, and it is understood that they will be sold subject to strict building restrictions, the minimum cost of a residence being fixed, and only one house to each 100 foot lot. In addition to this, it is understood that the owners intend to supervise all plans of houses to be frected on the banks, so that their architecture may conform to a general artistic scheme. The lats run to the bottom of the high bank, but purchasers will covenant not to cut any frees. OTI

ABBOTT GAR IS FIRST GLIDDEN TOUR ENTRANT

S. G. Chapman Learns Factory Will Have Three Cars in National Contest.

According to recent advices from eastern sources, preliminary arrangements for this year's Glidden tour are rapidly rounding into shape. M. Robbins, manager of the Chicago Abbott-Detroit organization, has the distinction of entering the first contestant for the big event. The ma-chine entered is a "30" Abbott-Detroit built in exact duplication of the Abbott "Bull Dog," which has already covered a fourth of its notable 100,000-

Robbins will drive the Abbott-De troit car in the Glidden tour himself some years ago, in another make of car, in the dead of winter, Robbins lowered the second between Boston and New York. Since then Robbins has been at the wheel in several strenuous tours, and there is no death, that the interests of his comdoubt that the interests of his comserved when he starts as the Abbott pilot on June 19. In a letter to S. G. Chapman, B. C.

Spitzley, assistant general manager of the Abbott Motor Car Company, says: "In addition to the car which will be driven by Robbins, the factory will start two more Abbott-De-troits. We consider this year's Glidden the most sensible tour inaugurated since the birth of the contest. It will demonstrate the endurance an The plan shows the Humber River Boulevard and Parkway offered to everyday use of an automobile. The the city by Mr. R. Home Smith. The boulevard begins at the lake shore, following the river to Dundas street, crossing it three times. Some 75 acres climbs will be of sufficient frequency than the city of the control of the city of to give the participants any test de-manded by prospective buyers. In would be given to the car for park purposes on the river banks on both former Glidden tours the predomin-ating ideas seemed to be to provide sides for all time.

(By courtesy of The Evening Telegram.) opportunity for the destruction of cars by subjecting them to the most extraordinary and unlooked for road conditions. It would have been just as

If consider this proposition at the present time. I am satisfied that the arrangement can be made whereby the site of the parkway and boulevard will be given to the city free and cgratain other favorable arrangements made. The owners on their part will, however, require an undertaking from the city as to the manner in which the property given is to be used, and there are other details which must be negotiated upon before the matter is in shape for final consideration.

"You will, I am sure, readily appreciate that have met some difficulties in placing myself in the position to make this suggestion to you, and if, in a general way, it meets with your approval, I think it would be wise to take the matter up actively and at an early date.

"Your very truly.

Eight Hundred Acres on Humber.
In an interview Mr. Smith said:
"The scheme of the Humber driveway, boulevard and park was first definitely fixed on about six years ago,
finitely fixed on about six years ago,
that been gradually accumulated. In
all, seventy different owners have been
dealt with, and the acreage bordering
on the river from Dundas-street to
the lake shore is about eight hundred.
On the plans as drafted and prepared
the table land on both banks, which TO THE BRIDEGROOM. served by a street 100 feet wide, leavering the lake shore at Jane-street, crossing the river at Bloor-street, which is widened to 100 feet from Jane-which is widened to 100 feet wide, leaver they button in the back.

Life is a discipline, and so you had better take time by the forelock and Aug. Aug. You may not have noticed it, but July 27—Perth Ave. So July 28—Leslie Grove hey button in the back.

July 29—High Park Garden

agonally to about the corner of Church and Dundas-streets, just west of the Village of Lambton.

Boulevard Route.

"The plan for the boulevard also commences at the intersection of Janestreet and the Lake Shore-road and proceeds along the river bottom, crossing the river twice, and striking the west bank at Bloor-street, from whence it follows along the river bottom again to Dundas-street. Our plan shows roadways covering a strip 100 feet wide, with a parkway on each side for shrubs, trees and grass, and from time to time larger areas, which can be used as small parks. This Aug. 22—Clarence Square.
Aug. 23—Vermont Sq
Aug. 23—Riverdale
Aug. 24—Bellwoods
Aug. 25—Reservoir Park try a row of hook and eyes invisible to the naked eye.

Then substitute for the metal eyes a few loops of thread, well lost in the meshes of a jungle of lace. cally connect with the new Eaton-road on Dundas-street."

This route will eventually provide one of the finest automobile drives on the confinent. The Humber river is navigable for over two miles from its navigable for over two miles from the paint room and singed by a fine from the miles from the at unexpected points.

At first you can use the language that comes naturally, but gradually this should be discontinued, and re-

placed by something less offensive. Count ten before you really express was fined \$20 and costs. straight in three minutes without pro-fanity, you may proceed to the next lesson.—Success Magazine.
