### COMMON SENSE.

Medicine is not of much use Medicine is not of much use to cure consumption. Eresh air and clean living are the essential forces to combat the dread white scourge. Every precaution should be employed to prevent the germs from settling on the lungs, and coughs and colds should not be neglected. To break up a cold quickly and cure any cough that is curable, mix a half ounce Virgin Oil of Pine with two ounces of glycerine and a half pint of good whiskey. Shake well and take a teaspoonful every four take a teaspoonful every four hours. Five ounces of tincture of Cinchona compound can be used instead of whiskey, with the same effect.

This mixture will usually

break up a cold over night. Care should be exercised to use only the genuine Virgin Oil of Pine, which is prepared in the laboratories of the Leach Chemical Co., Windsor, Ont., and put up for dispensing, only in 34-ounce vials, each securely sealed in a round wooden case.
