Have the exclusive right of advertising in the Cars and Stations, on the principal lines of Rail Road in Canada. No better medium is offered to Merchants, Manufacturers, Corporate Companies, &c., to bring to the notice of the general public and consumer the nature of their respective businesses.

We are in a position to contract for Newspaper Advertising throughout the Dominion AT AS LOW A RATE as can be obtained from the office of the papers, thereby relieving the Advertiser from the labour and annoyance necessarily incurred in making contracts, and seeing that they are properly carried out.
