THE ROYAL LINE TO EUROPE. Is the line of the Canadian Northern Steamships, Limited, whose two fast boats are the Royal Edward and Royal George.

They are 12,000 tons register, are driven by triple turbine engines, and their speed trials were made at over twenty knots an hour—faster than any other boats in the Canadian service.

All the apartments are spacious, and those at the disposal of the passengers generally are each composed in a distinctive style. The great Dining Hall is Georgian, with carving after Graining Gibbons.

The Cafe is reminiscent of the period of Louis the Fifteenth. The Lounge and Music Room is modelled after the style of Louis the Sixteenth.

The Library has a delightful decorative similarity to the famous chateau of Rembouillet. The Smoke Room is Elizabethan—a place that Raleigh, the first eminent Britisher to use tobacco, would have delighted in.
