Distinguished Party Visits the

Moose Mountain Property

Near Sudbury.

Last Thursday and Friday a dis-

tinguished party occupied a special

train of three private cars in going

over the Canadian Northern from Toronto to Sellwood and return, inspecing the Moose Mountain iron mines.

The train was in charge of Mr. A Hills,

Among others in the party were D. D. Mann, vice-president of the Canadian

Northern: John W. Gates (and Mrs. Gates) of New York, president of the Moose Mountain Iron Co.; J. J. Mit-

chell of Chicago (president of the Illi-nois Trust Co.); J. W. Hutchins of Chicago; Joseph Sellwood of Duluth,

managing director of the company; Charles Gates of New York; Mr. Harris

(Mr. Gates' former partner) of Wall-

street, New York; Mr. Miller, represen-

tative of Ogilvy, Norton & Co., the iron

ore selling agents of Cleveland; W. F.

Maclean, M.P., and Mr. Spry of Chi-

The train reached Sellwood, some

miles north of Sudbury, early Friday morning. It is now a busy town, with

two sawmills and the iron plant, which

A couple of hundred men are employ-

put 400 tons of concentrated are daily.

This will be increased within a year to over 1000 tons a day, to half a million

tons a year. There is plant there now to handle this amount. All that is

needed is more men put to work open-

magnet, which lifts them up and

swings them round to the dump car.

Not only does it lift, but it sorts the ore at the same time. Only ore that

sirich in iron will go to the magnetic

lift. The sorting of the concentrated ore is also done by magnets, over which the ore is passed on balts. The

to another belt, where it passes a sec-ond and third magnet, and then gets

the morning and the other in the

THORNHILL. ..

THORNHILL, Sept. 4.—(Special.)—A largely attended meeting was held in Victoria Hall here a few evenings ago to make arrangements for the reunion of the Thornhill Old Boys on Saturday, Sept. 17.

Mr. Kendall and Mr. Ellston, a committee of the Old Boys' Association in Toronto, addressed the meeting and outlined the program which has already been prepared by the association there, and also assured the meeting of the enthusiastic feeling exhibited at the meetings recently held in Toronto.

Toronto.

Mr. Ed. Francis was elected chairman and Mr. W. Riddell secretary Committees were chosen to look after the entertainment, the decoration of residences and places of business, etc.

Thru the kindness of Dr. Langstaff, the beautiful grounds of the Hawthorne Mineral Springs have been secured where the day's amusements will be held, and a gala time is being looked for. A second meeting will be held on Sept. 10.

WOODBRIDGE.

The Women's Institute will hold their September meeting at the home of Mrs. A. Harris on Tuesday afternoon, Sept. 13, instead of the regular date. Two interesting "Taiks and Demonstrations," will be given, and also several musical selections. Ladies are requested to note the change of date. All are invited.

FIRE IN SCARBORO TOWNSHIP. WEXFORD, Sept. 4.—(Special.,—The farm buildings of ohn Walton, in Scarboro Township, a mile or so southeast of this village, were struck by lightning on Saturday afternoon and destroyed, including all the crops of 10) acres, implements, etc. The horses and live stock were saved. The loss on the barn and contents will amount to fully \$2500 on which there is said to be a small insurance.

MILK PRODUCERS TO MEET.

MILK PRODUCERS TO MEET.

MILK PRODUCERS TO MEET.

MILK PRODUCERS TO MEET.

The annual meeting of the Toronto Milk Producers' Association will be proposed by the first plowing is done. A good acreage will be sown to fall wheat and the root crop blds fair to be a rattling good one.

WESTON,

Rector and Lady Will Be Guests of Sir Sandford Fleming.

WESTON, Sept. 4.—(Special.)—Rev. Mr. MacGillivray occupied the pulpit of the Presbyterian Church here today having returned on Saturday from Pott Elgin, where he was called by the death of his mother-in-law. He presched with acceptance at both the morning and evening services.

The annual meeting of the Toronto Milk Producers' Association will be fell at the Labor Temple this afternoon to Riverside Cemetery, and was largely attended.

R. J. Flynn who during the week severely wrenched his right foot and fractured the bones of the ankle, is confined to his room.

Mass will in future be celebrated in Milk Producers' Association will be the Toronto Milk Producers' Association will be the Toronto Milk Producers' Association will be the Toronto Milk Producers' Association will be the Labor Temple this afternoon at 1.30, and it is expected that the representation will be very large, and in all probability united on whater the representation will be very large, and in all probability united on whater the representation will be very large, and in all probability united on whater the representation will be very large, and in all probability united on whater the restore and in all probability united on whater the restore and in all probability united on whater the restore and in all probability united on whater the restore and

cream supplied.

To-day's meeting will be awaited with interest by the retail dealers and citizens generally.

Harbor a splendid plant for storing the ore, and then leading it on vessels, Abundance of electric power is wired GREATEST IRON MINE from the Cochrane McVetty plant on IN NORTHERN ONTARIO

from the Cochrane McVetty plant on the Wahnapitae River.

Mr. Gates and his fellow directors were so well satisfied with the output, the prices, the amount of ore in sight, the process employed in the mill and the stripping arrangements that they authorized the expenditure of capital sufficient to produce half a million tons of concentrated ore a year. There is a ready market for all this ore in Cleveland.

After spending most of the day at street west. Toronto, the following

summeent to produce hair a million one of concentrated one a year. There is a ready market for all this ore in Cleveland.

After spending most of the day at the mine, the train dropped down to Key Harbor, where the plant was in operation unloading cars and elevating and conveying the concentrates to the large bins away up in the air over the dock, where a vessel drawing 25 feet can load.

Mr. Gates, who is one of the best authorities in the States on iron ore and on steel production, complimented Mr. Mann on the enterprise of both himself and Mr. Mackenzie, in building these docks and extending the road to the mines. Messrs. Mann and Mackenzie own about a fourth of the mine.

"We'll give you a quarter of a million of dollars a year in freights," said Mr. Gates, "when we get the mine under full head."

The party reached Toronto Saturday morning, visited the fair, and then divided for New York and Chicago.

In less than 12 months the output of Moose Mounta'n ore, one mine, will exceed one-sixth of the total output of Cobalt (\$12,000,000), and it will be producing ore for a hundred years without much change in the amount of the demander of the manner of the decition of the amount of the demander of the down and the amount of the demander of the down of the cobalt (\$12,000,000), and it will be producing ore for a hundred years without much change in the amount of the demander of the manner of the purty from sale.

The property, namely:

All the plant, machinery and property of the property, namely:

All the plant, machinery and property of the party machinery and property of the company including liquids, situated at Port Hope. Ontario, together with all the stock-intrade of the Company, including liquors, cases, corks, bottles, bags, fooder, horses, vehicles, stable equipments and also all choses in action, acquants receivable, judgments, mortgages, securities, patents, trade marks, copyrights and labels. The whole to be sold as a going concern.

The property is said to contain about thirty acres, and on it are si

Moose Mountain ore, one limits, and the balance within thirty (30) ceed one-sixth of the total output of Cobalt (\$12,000,000), and it will be producing ore for a hundred years without much change in the amount of the diposits. Other iron ore mines in this district will also be opened up before long.

Mr. Mann expressed himself pleased with the condition of the railway, roll-with the condition of the condition of the railway, roll-with the condition of the conditi is first-class in every respect. The ore is mined, crushed, ground and then ong.

Mr. Mann expressed himself pleased
