

HALF MILLION MEN NEEDED IN JULY

Chief of Imperial General Staff Issues Another Call to Service.

HOME DEFENCE FORCE

Every Man Enlisting Therein Releases Soldier for the Front.

"Our immediate needs are a half-million men between now and July," said General Sir William Robertson, chief of the Imperial general staff, speaking recently at a great gathering of British trades unionists. In the course of his address Sir William said that the Germans were now numerically stronger than at any time during the war, having approximately a million more men in the field, and he appealed to the British people to give more men to cope with this new force. This appeal does not concern only the people reading the paper, but every corner of the British Empire, and sets everyone thinking and wondering as to what he can do to assist in the great struggle for freedom. "We ought not to expect to win a war such as this," said Sir William in the course of his address, "unless and until every man and woman in the country does a full day's work of an essential nature."

The call to Canada.

This appeal for more men was made generally to the many thousands of young men in Canada. The British trades unionist has done well, as the Canadian people have. But more remains to be done.

The overseas troops in Canada are being hastened across to England as fast as possible. There are at the present time 50,000 of these in Canada. It is the intention of the government to fill the places of these troops by 10,000 more for the defence of Canada, and an appeal is made to the young men of the country to answer this call. Every man who joins this force must understand that he is releasing another man for the firing line.

The conditions of service in this force are particularly attractive. For some time the men are in the field, and one afternoon a week. For these they will be paid. In the course of a month or six weeks they will be taken to camp for the summer, and will be trained there by competent officers in all the branches of military art. Terms of enlistment, pay, subsistence, clothing and equipment are the same as for overseas troops, and separation allowances are given in the case of married men.

The government is carrying on an advertising campaign in the press, and pointing out the need of the time. It hopes that many young men will heed the call and join the Canadian Defence Force.

WANTS HIS CHILDREN FROM FOSTER PARENTS Were Taken to States by Mother, Who Secured Divorce and Disposed of Them.

W. A. Danette, a painter, 319 Yonge street, is striving, thru the morality department, to recover his two youngest children, who were taken by his wife to Detroit some time ago, following his prosecution for assisting a charge of non-support.

While in Detroit a few days ago Mr. Danette saw the portraits of his two daughters, starting down at him from a sign in a Detroit street car. The children were offered for adoption. He came to Toronto and made application at the morality department for assistance. He stated that he was born in Peterboro, and that he came to Toronto five years ago. He sent his wife to Kew Beach School he fell and broke his hip and arm, and was in bed for three months. His home was broken up, and he was left with two children. He went to Detroit, taking the children with him.

Learning that his wife and children were in Detroit, he went to the city and secured a divorce. She was perfectly willing that he should have the children, but her husband did not influence the decision of the society officials in his favor. If the assistance of the local civil authorities is not sufficient to restore the children to him, Mr. Danette will seek the aid of the law.

SOLDIER IN HARD LUCK WIFE BADLY INJURED

Left Six Children With Her Invalid Husband While She Did Muniton Work.

A pathetic story of hard luck was brought to light yesterday, when Pte. Alfred Harding, a returned soldier, who has not received any pension from Ottawa since he was discharged from the army, was suffering from concussion of the brain. The soldier, with his wife and six children, resides at 71 Gladstone avenue, Mount Dennis. He was taken ill with bronchitis and asthma in France, and is unable to work. When his wife saw that no money was coming from Ottawa, she obtained a position in a muniton factory in order to earn enough to provide for the family.

While coming home from work on Sunday night, she fell off a Dundas street car and was taken to Grace Hospital, where her condition is critical. Mrs. Harding has only been nine days previous to the accident.

BODY IDENTIFIED.

The body of the elderly man found in Grandview Pond Saturday afternoon was identified as the corpse yesterday by a son, as that of Herbert Baldwin, a widower, aged 66, assistant caretaker of St. Basil's Street School, and caretaker of Christ Church. He had been residing with friends on Bathurst street, and had not been seen since December. When he left home he was in the best of health and spirits.

EDUCATIONAL ASSOCIATION HOLDS ANNUAL MEETING

Regular Conference of Ontario Teachers Commences Today in University.

From every corner of Ontario, from public high and continuation and technical schools, teachers are gathered in Toronto today for the 56th annual meeting of the Ontario Educational Association, which will commence today in the University of Toronto, and will continue until Thursday.

Besides the general association, which meets in Convocation Hall, the teachers are divided into 21 sections, according to the special branches in which they are interested, and meetings are held by each of the sections. The public school, kindergarten, technical and manual, arts colleges and secondary, modern languages, natural science, mathematics and physical, English and history, commercial, continuation, inspectors, and training sections, all hold their opening meetings this morning or afternoon, as does the trustees department, while other sections do not convene until tomorrow or Thursday.

A meeting of the board of directors of the association was held yesterday afternoon. Addresses of welcome will be delivered this evening, by President Falconer, Hon. Dr. Pyne, and Principal Hutton, after which the report of the superannuation committee will be delivered by R. A. Gray. An informal reception will be held at the conclusion of the evening session by President Falconer, on behalf of the University.

Mayor Says Government Deals Hardly With Municipalities

Mayor Church is of the opinion that there is no length to which the provincial government would not go to gratify its hunger for money at the expense of the municipalities. Yesterday he declared that the government had taken between \$8,000,000 and \$10,000,000 in revenue out of the city. He thought that a large part of the taxes obtained from insurance companies and amusements should go to the city, which had to spend a large amount on the premises for fire protection, police protection and other services. The mayor has asked the city treasurer for a return showing the number and size of the expenditures of a provincial character undertaken by the city. The return would cover the cost of the technical school, court house, registry office, land titles office, industrial farm, and proposed house for the feeble-minded. He stated that he could not say what the tax rate would be. The board of control resumes revision of the estimates this morning.

Cuban Resident Here Sends Congratulations

Robert G. Roy is the first Cuban resident here to offer his service to his country since the news was announced that the United States had declared a state of war against Germany. Roy conducts a business at 24 East Richmond street, and yesterday wired the Cuban consul in Havana, congratulating him on joining the entente allies and offering his services. The following is a copy of the telegram:

Havana, Cuba.
Major-Gen. Mario Menocal.
Honorable President of Cuba.
As a Cuban I feel very proud of the step you have taken in uniting with the armed forces of the United States. I am glad to see you always defend with such energy and patriotism, therefore, I am glad to offer myself to your service whatever it may be.
Robert G. Roy.

NEW OFFICE RULES.

Magazine Reading, Smoking and Needlework Prohibited in Treasurer's Department.

Employees of the city treasurer's department received an Easter egg yesterday in the shape of a strict code of office rules, which they have been called upon to observe. Punctuality is laid down as a virtue essential to good office work, and the day's work must be completed before leaving the office. One hour is allowed for lunch, and smoking is prohibited during office hours. Indiscriminate use of the telephone for other than departmental business is strictly prohibited, and the doing of needlework, reading magazines, books of fiction and newspapers during office hours is not allowed.

MILK DEALERS OBJECT.

Claim the Producers are Asking Too Much For Their Milk.

Retail milk dealers thruout the city are of the opinion that the milk producers are asking too much in their resolution, adopted last Saturday, whereby the price of milk will remain for the summer months at two dollars for an eight-gallon can. E. H. Phillips, secretary of the dealers' association, stated yesterday that the retailers will hold a meeting shortly and demand that the price be lowered for the next five months.

RETURNS FROM JAPAN.

The Rev. Dr. C. J. L. Bates, Methodist missionary to Japan, is returning on Thursday, and is expected to arrive in Toronto this morning from Chicago.

FIVE ARE KILLED TWELVE WOUNDED

Toronto Casualty List Not Very Large for Easter Week-end.

Eighteen names of soldiers connected with Toronto are mentioned in reports from all sources over the week-end as casualties. Five of these are given as killed in action, one has died of wounds, and 12 have been wounded.

Lieut. R. Mangan, 433 Greenwood avenue, is reported killed in action. He went to the front early in the war and won his promotion on the field. He was first wounded in September. He was born in Australia, but had lived 11 years in England and four years in Canada.

Sgt. W. H. Lloyd, 26 Madeline avenue, is reported killed in action. He was 38 years old and a native of London, England. He had been in Canada ten years.

Gunner James Hughes has been killed in action, according to a message to his parents here. He was 19 years old and is the second son to give his life in battle, while another is in hospital.

Pte. E. D. Ruffels, formerly boarding at 61 Jarvis street, is reported killed in action. He enlisted with the York Rangers. He was 24 years old and a native of England.

Pte. Herbert Hodgson, a native of Midland, has been reported killed in action. He had been missing since last November. Pte. Hodgson enlisted in Toronto with a Highland battalion.

Sgt. Morley S. Chapman, son of Mrs. George S. Chapman, Uxbridge, has died of wounds. He was a member of the Toronto police force for five years before enlisting.

Twelve Are Wounded.

Capt. John I. Matthews, 549 Lansdowne avenue, has been wounded by gunshot in the shoulder. He went overseas with an early C.O.R. battalion. He is 47 years old.

Corp. W. F. Stagg, whose wife and four children live at 418 Ossington avenue, is reported wounded for the second time. He is a native of Scotland, but has been living in Canada for a number of years.

Lance-Corp. George C. Hackett, 33 Boulton avenue, is reported wounded for the second time. A brother has died of wounds.

Acting Lance-Corp. Hugh L. Buchanan, brother of R. Buchanan, 273 Wright avenue, has been seriously wounded. He is 20 years old, and worked for the Robt. Bury Co., 455 West King street.

Gunner Stuart Hillary, son of Lieut.-Col. Hillary, is reported wounded. The family home is at Aurora, and the father and son have both been at the front for some time.

Pte. L. Albert Libby, son of Mr. and Mrs. Albert Libby, 214 Bathurst street, has been severely wounded in the leg. He was born in Toronto 22 years ago, and before enlisting had been with the Otto Heigl Co., Limited.

Pte. Hugh Cockburn, whose parents live at 115 Pauline avenue, has been severely wounded in the leg. He is 19 years old, and enlisted in Toronto. He was a Bell Telephone Company employee.

Pte. F. O. Austin, son of Peter Austin, 27 Garnet street, has been wounded for the second time. He is 20 years old, and before enlisting was an insurance clerk.

Pte. W. F. Meers, whose next of kin is given as living in Jamaica, is reported wounded. He went overseas with a C.O.R. battalion last October.

Pte. W. S. Lake, an Englishman who enlisted with a battalion of the Royal Grenadiers, is listed with the wounded.

Pte. Richard Doyle, of Brantford, is among the wounded. He left Toronto in May, 1915, and is a native of Ireland.

Pte. Stephen Barber, Mount Dennis, is reported wounded. He enlisted at Windsor. He is 25 years old, and has three brothers in the service.

A.M.C. OFFICERS HOLD DINNER.

The Canadian Army Medical Corps Officers' Mess annual dinner was held at the St. Charles Hotel on Thursday night at 7.30 o'clock. There will be a preliminary meeting in the hall, as well as many officers returned from the front.

A Minister's Evidence

That Piles, or Hemorrhoids, Can Be Quickly Cured—A Justice of the Peace Cured Many Years Ago.

Toronto, Ont., April 9.—There have come to us recently these two letters from prominent men who bear unquestionable testimony in regard to Dr. Chase's Ointment, as a prompt and effective cure for piles.

These men give their evidence freely because they know what it means to suffer from the tortures of piles, and then be cured. They feel it a duty and a pleasure to let others know how they too may be cured.

Rev. Frank N. Bowes, Methodist minister, Friesville, Ont., writes: "In the winter of 1912 I was stationed in Cobalt. I went for a snowshoe tramp one day, and sat for only a few minutes on a cold stump waiting for some comrades to catch up to me. From sitting on the damp stump I contracted piles, and suffered so severely that it caused me great pain to walk. A friend recommended Dr. Chase's Ointment, and I immediately purchased a small box which very rapidly effected a cure. I always keep a box on hand and find it excellent for any kind of wound or sore."

Mr. W. B. Thorne, J. P., Alderside, Alta., writes: "I think the cure that I became acquainted with the merits of Dr. Chase's Ointment, and would not be without it on any account. It never fails to do its work. I was first induced to try it for piles. Less than one box cured me, and I have never been troubled since. That was 28 years ago, so I think the cure is permanent. It is good for sore lips and hands, chafing, and in fact, all sorts of sores. You are at liberty to obtain this assurance that you will obtain relief from suffering and ultimately lasting cure. 60 cents a box at all dealers, or Edmanson, Bates & Co., Limited, Toronto."

For Your Dollar-- 18 Pints of Rich, Pure Milk and Efficient Service

There are many things you cannot determine the value of in dollars and cents. It is so with milk. Some milk, of course, gives you little more value than eighteen pints for the dollar. But with The Farmers' Dairy milk the number of pints is but a portion of what your dollar buys.

You do not get ordinary milk. You get milk that is richer in cream (body-building butterfats) than the ordinary milk. You get milk that is purer because it is carefully guarded at every stage through which it passes. It is pure, too, because of the scientific method of pasteurization.

Then with this milk goes an efficient, satisfying service. Ser-

vice permeates our entire organization, on the farm, in the dairy and in the delivery system. Our big concrete-walled, sunshine-bathed dairy was built for service. Every piece of machinery installed is there to enable us to give better service. The service which our salesmen render adds to what you get for your dollar. Receiving the milk regularly every day means much to you because delays cause annoyance and inconvenience.

Are you receiving the most for your dollar? You should. You can. You will enjoy this rich, pure milk. You will appreciate the service. Start getting this milk tomorrow. Remember, you get more value for the dollar.

Hospital Supplies Come in For University Association

Mrs. F. N. G. Starr, honorary treasurer of the University Hospital Supply Association, reports the receipt of \$2,069.21 since the statement published March 3. Of the above amount, \$1,125.86 was sent to the Students' Administrative Council, being part proceeds of the sale of the Varsity war supplement.

The committee of the packing committee reports that a total of 114 cases and 16 bales were packed during February and March. The contents were: 66 draw sheets, 27 towels, 378 surgical shirts, 114 laparotomy stockings, 672 arm bandages, 2,354 pyjamas, 129 shirts, 2,242 pairs of socks, 31 dressing gowns, 24 kit bags, 565 miscellaneous. The bales and 106 cases went to the Canadian Red Cross Society, and 8 cases, containing 1,008 pairs of socks, went to the soldiers' comforts, 80 King street west, and were forwarded to the Canadian Field Comforts Commission.

The need of these articles for the Canadian Red Cross Society is so very urgent that the association is most anxious to double the output for the coming months, therefore workers are wanted, more workers and more workers.

All workers will be most heartily welcomed on Mondays, Wednesdays and Fridays from 10 a.m. to 5 p.m., University Library.

FIRE TRUCK STRIKES CAB.

When responding to a fire call yesterday afternoon, Bolton avenue motor hose truck collided with a cab driven by John Stevens, aged 62, an employee of Hunter Bros., Ivermen, Queen and Ontario streets. The accident happened near Broadview avenue and Queen street. Stevens was thrown from his seat to the pavement, and when picked up was unconscious. He was removed to St. Michael's Hospital, and is not considered seriously injured. The cab was smashed, and three women occupants received a severe shaking and minor bruises.

BOY HAD MUCH MONEY.

Chas. Cecil White, aged 14, disappeared from his home at 199 Wilton avenue, last Wednesday, and has not since been seen. He had between \$20 and \$30 in his pocket when he left the house, and was wearing a tweed suit, a sweater coat, and black shoes and stockings. He is of slight build, and about 4 feet, 7 inches in height. The police have been asked to try and locate him.

Ratepayers' Associations Form Central Organization

The various ratepayers' associations of Toronto are forming a central organization for the purpose of co-operating with the Bureau of Municipal Research, in pressing for the introduction of reforms in municipal government, and to act as an advisory council in matters of general interest to the ratepayers of the city.

A preliminary meeting is being called for the near future to draft a constitution, and work out the details of the new federation. Dr. Horace L. Brittain will address the meeting.

INCREASE SUBSCRIPTION.

At the regular meeting of the Toronto stage hands union, it was unanimously decided to increase the subscription to the war loan, to \$2,000.

CHILD'S SEVERE STOMACH TROUBLE

Harrison (Ont.) Father Says Dr. Cassell's Tablets Saved His Child's Life

Mr. Corby, Harrison P.O., Ont., writes: "Our little girl was weak from birth, and we tried doctors' medicine and other things she got no better. She just lay in her cot and cried, and neighbors all said we could not save her. The doctors said she had stomach trouble, and that her chances were small, yet Dr. Cassell's Tablets cured her. They have been worth their weight in gold to us, for we were just giving up hope of saving our little daughter. I don't think there is any other medicine for children like Dr. Cassell's Tablets. Publish this letter if you like; it may help others as the Tablets helped us."

A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold F. Ritchie & Co., Ltd., 10 McCull Street, Toronto.

Dr. Cassell's Tablets are the surest remedy for Dyspepsia, Kidney Trouble, Sleeplessness, Anemia, Nervous Ailments, Nerve Paralysis, Palpitation and Weakness in Children. Specially valuable for nursing mothers and during the critical periods of life. Sold by druggists and storekeepers throughout Canada. Prices: One tube, 50 cents; six tubes for the price of five. Beware of cheap imitations and contain hypophosphates. The composition of Dr. Cassell's Tablets is known only to the proprietors, and no imitation can ever be the same. Sole Proprietors: Dr. Cassell's Co., Ltd., Manchester, Eng.

Narrowly Escapes Death When Aeroplane Drops Into the Lake

Ray Moore, a young Toronto aviator, and son of Walter Moore, 309 Sunnyside avenue, had a thrilling experience and a narrow escape from death Sunday morning when his aeroplane became unmanageable and dropped into Lake Ontario, a mile from the Long Branch aviation school.

The young aviator is only 20 years of age, and went up Sunday morning for a 25-minute flight. He had been flying for some time and was about to bring the machine to the ground when he felt it sidle up. It became unmanageable, and a 500-foot drop to land or an alternative in the icy waters of the lake faced him. The young aviator chose the lesser of the two evils.

As it began to sink young Moore climbed to the top of the plane. The machine fortunately glanced upon a rock, and did not immediately sink. In case he should have to swim, Moore took off his boots and stockings. Sunday cuts and bruises were all the injury he suffered.

Harold Williams, who was standing on the pier at Long Branch, noticed the flyer's plight, and with the assistance of Eric and Arthur Mills, secured a boat, rowed out to where Moore was hanging to the rock, and brought him safely to shore.

HIGHLANDERS ARE BUSY.

Since headquarters authorized the different city battalions to recruit for overseas and for home defence, the Highlanders' staff has been greatly encouraged by the number of applicants for enlistment. The Highland battalions which have previously left the city for overseas, namely the 15th, 92nd and 134th, need no introduction to the public, and will long live as glorious examples of great fighting men. To become associated with these heroes is certain to attract a great number of men, not only because they will wear the kilts, but because it is a well-known fact that the Scotch regiments have always been willing to make great sacrifices when called upon to defend their homes and families. All information regarding the C.E.F. or C.D.F. will be gladly furnished at the Highlanders' Orderly Room, Toronto Armouries.

CHARGED WITH THEFT.

Edward H. Pettaway, colored, 262 Augusta avenue, was arrested last night by Detective Taylor, on a charge of stealing a safety razor and a pair of military brushes from the C. P. R., by which company he was employed as a porter.

Auto Was Hit by Car And Occupant Was Injured

Earl Wheeler, 172 Wright avenue, sustained injuries to head and shoulder last night when the motor car he was driving was struck by a north-bound King car at the corner of Roncesvalles and Wright avenues. Wheeler was just returning home, and was on the point of turning east along Wright avenue when the car hit him. He was picked up by the car crew and taken to the office of Dr. Sheek, 220 Roncesvalles avenue, and after medical attention removed to his home.

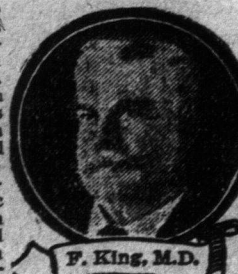

Dr. Ferdinand King, New York Physician and Medical Author, Says:

EVERY WOMAN
EVERY MOTHER
EVERY DAUGHTER
NEEDS IRON
AT TIMES

To put strength into her nerves and color into her cheeks

There can be no beautiful, healthy, rosy-cheeked women without iron. The trouble in the past has been that when women needed iron they generally took ordinary metallic iron which often corroded the stomach and did far more harm than good. Today doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careless women, and bring them back to a good, healthy, looking woman 100 per cent. in two weeks' time in many instances. I have used it in my own practice with most surprising results.—Ferdinand King, M.D.

NOTE: NUXATED IRON, recommended above by Dr. Ferdinand King, can be obtained from any good druggist, with an absolute guarantee of success or money refunded. It is dispensed in this city by G. Tammlyn, Ltd., and all good druggists.

F. King, M.D.
