

FOR
BEAUTIFYING AND PRESERVING
THE COMPLEXION.

Removing Tan, Sunburn, Freckles, and
all Roughness of the Skin.

THE PERSIAN BEAUTIFIER changes the sunburnt face and hands to a pearly, satin texture of rare beauty, imparting the marble purity of youth, and the distinguished appearance so inviting in the city belle of fashion.

It removes tan, freckles, pimples and roughness from the skin, leaving the complexion fresh, transparent and smooth, and imparting that bloom to the cheek which is the desire of every lady and the admiration of the sterner sex.

If a Lady wishes to surround herself with admirers, she must not neglect her personal appearance. Beautiful women have been worshipped in all ages, and from present appearances are likely to be while the world lasts; and although some men may talk against the arts employed for retaining the freshness of youth, it is a fact that these same men are the first to withdraw their admiration of a lady if she is foolish enough to neglect her toilet by omitting the means placed within her reach for enhancing her beauty. As it is therefore so very necessary for the ladies to have a preparation of intrinsic value on their toilet, one that will give them perfect satisfaction and that is entirely free from anything poisonous or injurious to the skin, we would recommend them to use the *Persian Beautifier*. It imparts a youthful bloom and lively expression to the countenance; it softens the plainest features, and the roughest skin is made smooth and beautifully clear. It is just what the ladies require to remove tan, sunburn, freckles, etc.; in fact it is the great secret of beauty, and very justly deserves the reputation it has sustained for years as being entirely free from anything poisonous or injurious to health or skin.

THAT is, all who have either used Dr. Thomas' Electric Oil on their Horses, or witnessed the wonderful effects when used by others.

When your Horses are suffering from a cut, abrasion or sore, it is just the medicine to use.

If your Horse is lame, stiff, or there is swelling of any kind, Dr. Thomas' Electric Oil is just the medicine to use. It allays swelling, removes stiffness of any kind, and is the most soothing and healing medicine that you can use.

In Cattle it cures Horn Distemper and in cows Garget; a few applications cure cracked teats; for the last named it is especially good. For Horn Distemper put half a teaspoonful in each ear, and pour a little back of the horns.

Worth Knowing.—Mr. Jas. Shannon, Leaskdale, writes: "I suppose it would be of interest to you to know of two wonderful cures effected on horses by using Dr. Thomas' Electric Oil. A customer of mine had a valuable colt about a week old, which got cold and was unable to get on its feet. I advised him to give it a thorough rubbing with Dr. Thomas' Electric Oil, which he did, and to his surprise the stiffness was removed, and a perfect cure followed. The second astonishing cure was on a fine colt which had been operated on, followed by great swelling. The farriers said he would die, and they could not save him. 'Then, if he is going to die,' said the owner, 'I will go and get a dollar's worth of Dr. Thomas' Electric Oil, and it will at least ease his sufferings.' He got the Electric Oil, and it not only gave the colt relief, but cured him. It is just such remarkable cures as these that advertise Dr. Thomas' Electric Oil, and make our sales so much larger than of any other medicine."

Mr. S. S. Nash, Crediton, writes: "Frequent applications of Dr. Thomas' Electric Oil, and daily rubbing, completely removed a callous lump on the leg of a valuable horse of mine."

Best Ever Used.—Mr. W. R. Lazier, Ballif, etc., Belleville, writes: "I find Dr. Thomas' Electric Oil the best medicine I have ever used in my stable. I have used it for Bruises, Scratches, Wind Puffs and Cuts, and in every case it gave the best satisfaction. We use it as a household remedy for Colds, Burns, etc., and it is a perfect panacea. It will remove Warts by paring them down and applying it occasionally."

Mr. P. M. Markell, West Jeddore, N. S., writes:—"I wish to inform you of the wonderful qualities of Dr. Thomas' Electric Oil. I had a horse so lame that he could scarcely walk; the trouble was in the knee, and two or three applications completely cured him."
