STOCK COMPANIES.

THE NOXON CO. LIMITED, THAMES ST.

Established in 1856 and incorporated as a Joint Stock Company in 1873 the business of this Company has steadily grown until to-day The Noxon Co Limited, of Ingersoll, is recognized as one of the oldest and most reputable firm engaged in the manufacture of Agricultural Implements. Customers may rest assured that this Company is to-day better prepared than ever to serve them with the very latest and best line of seeding and harvesting machines to be found in any country.

Their plant, in its entire equipment for producing first-class goods in their line, is most excellent, and while they do not pretend to have factories as large as some others, they have large capacity and can make machines very rapidly and economically, and for the coming season are showing the most complete and up-to-date line of machines manufactured by any Firm, Canadian or American.

The officers of the Company are :—

R. H. COTTER, President and General Manager.

C. W. RILEY, Vice President, Secretary and Treasurer.
