#### Kheumatism Home Cure Given by One Who flad I

A Home Cure Given by One Who Had It

In the spring of 1898 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

I want every suffered from any form of rheumatic trouble to try this marvelous healing power. Don't sent a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.

"Hum, ho!" sighed a New Hampshire man as he came in from downtown, according to the New York Evening Post, "Deacon Jones wants me to be pall-bearer again to his wife's funeral."

"Wal, you're goin' to be, ain't ye?" asked the farmer's better half, "I dunno. Y' know when Deacon Jones's fust wife died, he asked me to be a pall-bearer, an' I did; and then his second wife died, an' I was the same again. An' then he married that Perkins gal, and she died, and I was pall-bearer to that funeral. An' now—wal, I don't like to be all the time acceptin' favors without bein' able to return 'em."
