Stanislaus Zbyzsko, heavy weight cham- pion, will defend his title against (Strangler) Lewis, former champion, at a mat bout at Madison Square Garden the night of Nov. 28. Forfeits of 5,000 each, definitely binding the match, are posted yesterday by the two grap- plers, according to Tex Rickard. The match will be determined by a decision of three. Under the rules of the State Athletic Commission, which will govern all in two hours the match will go on extra hour to one fall and a decision. The victor will receive the Rickard championship belt, a diamond-studded watch suitably inscribed. Zbyzsko last night lost the title to Stanislaus last night at the Twenty-second Regiment

**ARMY.** He missed a leap for his favorite headlock and fell. Zbyzsko flopped his massive weight on the Kentuckian, pinning Lewis's shoulders to the mat for the fall. The victory gave Zbyzsko a title after twenty-three years in the mat sport and at a time in life when the average mortal is considered past his prime. In his long career the Polish grappler has suffered but one reverse. He was defeated by Frank Gotch, former champion, back in 1910.

**ATHLETIC.**  
Another School Boy Wonder

(New York Times).  
South Africa has developed another schoolboy athlete in L. B. B. Betts, whose performance early last month at the Transvaal Inter-High School championships suggest that he may better the records of Reggie E. Walker and R. G. D. Reid, both of whom are credited with exceptional performances as schoolboys. Betts, a lifted and clean limbed youth of 17, won the 100, 440 and 880 yards at Jeppe School. In the quarter-

he won his preliminary in 20.7-8 seconds, while the final on the following day, he covered the distance in 20 seconds, and won the 100 yards in 10 seconds. The half-mile was the next event and with- out retiring to the pavilion he went on to his mark and won from L. Phillips of Krugersdorp by 25 yards, who put up a record last year of 2 minutes 6 seconds.

**WALKER Wins.**  
Newark, N. J., Nov. 21.—Mickey Walker, of Elizabeth (N. J.), tonight was awarded a decision over Dave Shade, San Francisco welterweight, when the latter broke a bone in his right hand during the fifth round.

**AQUATIC.**

Winnipeg, Nov. 22.—Miss Hazel Kessler of Winnipeg retained her domi- nation title as women's 100 yards swim- ming champion last night, at the Cornish baths, under the auspices of the Cana- dian A. S. A. She swam the distance in one minute and 13.2-5 seconds, beating her former time by twenty-one seconds. Miss Kessler also won a gold medal. No outsiders competed.

### THE GREAT PRESENCE OF MIND

and dogged tenacity of Frank Barsett, 50 Queen street, undoubtedly saved the life of Fred- erick Olsen, a fellow employee of the St. John Drydock Company, early Monday morning, when Olsen fell overboard from the scow which the two had dumped near Red Head. The scow had been towed to the dumping grounds and after being dredge Beauchamp, Barsett saw Olsen fall overboard and seized a pile pole and fell overboard by the coat. He shouted for the tug to stop but she was too far ahead. Half an hour passed with Olsen clinging to the pole and both men grow- ing weaker. Barsett finally tore off his suspenders and lashed his hands to the pole. When the tug reached the dredge, the plight of the men was discovered and relief effected. Barsett was suffering greatly from strain when relieved.

### C. B. Allan, who has returned after attending the meeting in Toronto of the central council of the Red Cross Society said last night that one of the chief matters considered was the work of the Junior Red Cross. Branches are estab- lished in each of the 6,000 schools of Saskatchewan by the education author- ities and Alberta is not far behind. Miss Jessie Church, formerly of St. John is the secretary in Alberta. The council, Mr. Allan said, had decided to continue the port work at St. John this winter and also have made provision for relief for soldiers and their dependants. The question of relief in British Columbia is most serious. The council decided against making any appeal for Russian relief. Mr. Allan said that the memorial presented by the St. John branch of the Victorian Order of Nurses asking for \$2,000 would not be answered directly by the council as it was a national affair only.
