ST. JOHN BRIDE.

A quiet but pretty wedding took place in St. Paul's Catholic Church, Worcester, (Mass.), on November 19, when Rev. William H. Goggin, with nuptial mass, united in marriage Harry Leo Crocker and Mary Teresa Graham of St. John. The bride wore a navy blue suit with hat of blue and grey. Immediately after the ceremony Mr. and Mrs. Crocker left for New York where the groom holds a responsible position as traveling salesman. Many friends in St. John extend their best wishes to them for their future happiness.

WANTS BRITISH CERTIFICATE.

Charles A. Holmes, now residing at the Veterans' Home, Balaclava, California, has written to the county secretary, J. King Kelly, for a certificate of his birth. He states that he was born on August 11, 1860, his father was Albert Holmes and his mother Eliza E. Holmes. He must exhibit his age before securing a pension from the United States government for the part he took in the Indian War of 1866. The county secretary will be glad to receive any information which will assist this man in establishing his age, so that he may receive a pension.

DEMONS CHAPTER.

The monthly meeting of DeMons Chapter, I. O. O. F., was held in the provincial government rooms this morning, with the regent, Mrs. W. E. Foster, in the chair. The chief business was the making of plans for the annual convention of the chapter. It was decided to hold the ball in the Pythian Castle on December 29. Mrs. George McLeod was appointed general convener of the committee; Mrs. S. S. Skinner, convener of the flower committee; Mrs. Andrew Locke, convener of the bridge committee; Mrs. M. B. Robinson, convener of the supper committee. The number of entries was voted to the Good Fellows Christmas fund.

NOT MANY TRIED.

C. B. Allan, secretary of the New Brunswick division of the Navy League of Canada, said this morning that nine essays had been submitted from the province in the Navy League essay competition which closed on December 1. The entries are from Sussex, Rothesay, St. John, Fredericton and Dalhousie. The subject of the essays was, "Why I should support the Navy League of Canada." The essays have been sent to Dominion headquarters in Toronto to be judged, and announcement of the winner will probably be made before Christmas. The number of entries this year was disappointing. Last year there were fifty-two from the province.

HIGH SCHOOL VOTE.

The result of an election held in the High school with the theme ballot as the subject, was announced this morning. The election, which was held on Monday, was a very close one. The Conservatives were at the head of the polls with Baxter high man, having polled 381 votes. McLeod, the highest Liberal, had 190 and Campbell and Calhoun got twenty-one and eighteen respectively. Out of about 600 votes there were twenty-eight spoiled ballots, but of this number only four were spoiled by faulty marking. The others were result of the making up of the ballot, in which there was a space on the left side used by some of the voters. There was very little plumping done.

POLICE COURT

Case of Alleged Illicit Still is Gone Into.

One man, charged with being drunk, pleaded guilty and was remanded. George Hatt, charged with the non-support of his wife, said he was out of work. His wife testified that they had been married for eight years and had three children. Her husband had been working all summer, driving a jitney, and had been a chauffeur for four or five years, but had given her no money since the early part of November. John Porter was before the court on a charge of having an illicit still on his premises at 97 Sheriff street. Walter P. Dawes gave evidence that he had gone with Policemen McFarland and Garnett to the defendant's home and found there, in a trunk, a complete still of a kind commonly used in the manufacture of illicit liquor. He said there was also a can which smelled of liquor, and a tinsmith keg partly filled with wash or mash used in making "moonshine." The only person in the house was a young fellow, and he was told to notify his father that he would be expected in the police court the next morning. When the man did not appear, the officer said, he swore out an information and asked for a warrant. He identified the apparatus in court as the still and produced a sample of the wash from the keg, which, he said, contained oats, raisins, prunes and molasses or soft sugar. The magistrate asked the accused if he could pay a fine of \$50, and he remanded him to jail when he said he did not have 500 cents. Louis Daley, who was before the magistrate yesterday on a charge of striking a young woman, was examined by the jail doctor. Another examination will be made in three days.

MACKENZIE KING SPEAKS OF VICTORY

People Realized Truth of the Charges Made.

Showed Themselves Sick of Coalitions—Flood of Congratulatory Telegrams—Sir Lomer Gouin Makes Statement.

(Canadian Press.)

Ottawa, Ont., Dec. 7.—The people, by their defeat of the Meighen administration, have shown that they agree with the attitude which the Liberals have been taking in the house and in the country during the last couple of years," declared Hon. W. L. Mackenzie King, leader of the Liberal party, on receipt of approximately complete returns from the election at an early hour this morning.

"The people of Canada," Mr. King declared, "have shown by their overwhelming defeat of the Meighen administration that they realized the truth of the charges of autocracy and usurpation which I have been making against the Meighen government since Right Hon. Mr. Meighen took control of the affairs of the country.

"When the total Liberals and Progressives elected are considered, it must be admitted that the Meighen administration has been ignominiously defeated. "The people have also shown that they are heartily sick of coalitions, and it is a matter of great satisfaction to me to find that the Liberal party is returned to a clear majority over both other groups in the House of Commons. It can carry on without any thought of coalition or log rolling with either group.

"The fact that three provinces, Quebec, Nova Scotia and Prince Edward Island, have voted solidly for Liberals is in itself evidence that the Liberal policy has appealed not only to one class or group or race, but to all classes."

During the late night and early morning hours a flood of congratulatory telegrams poured into the office of the new premier-elect from all parts of the dominion. There were also a great many callers from among Ottawa Liberals, who desired to pay their respects and extend congratulations.

Sir Lomer Gouin.

Montreal, Dec. 7.—Sir Lomer Gouin, speaking last night after the announcement of his victory in Laurier-Ottawa division, this city, said: "I have fought the best fight I could, and I am deeply grateful to you electors and to the many who helped me in the campaign. I am more especially honored to be elected with such a large majority in this, one of the largest divisions in Canada."

ON Y. M. C. A. MISSION

Arthur Lockley, who has been in Tiensin for five years, representing Canada as foreign secretary of the international commission of the Y. M. C. A., was the speaker at a meeting of the local leaders' corps in the Y. M. C. A. building last night. He gave an illustrated talk on the possibilities of work in China and on some of the work done there. He started out to train fifty men to be physical directors, and they, in turn, educated 15,000 others. Among the work done was the introduction of games, of which China is practically ignorant.

Today at 12.30 o'clock he was present at a luncheon of the High-Y club, and at 3.30 he addressed the Ladies' Auxiliary of the Y. M. C. A. Tonight he will be the chief speaker at a foreign work banquet in the Y. M. C. A. building. It is hoped that \$1,500 will be raised in the city this year. Tomorrow Mr. Lockley will meet the junior leaders' corps, and will have supper with the Business Boys.

Mr. Lockley's presence here is part of a plan of a tour of the maritime provinces. He has been in Halifax, Yarmouth, Cape Breton, and Prince Edward Island, and will go to Fredericton, Sherbrooke, Quebec, and other cities in Eastern Canada.

JOHN G. KENT.
