BEACONSFIELD PROTECTION IS TALKED OVER

Conference in County Secretary's Office Held This Morning.

TO GET TOGETHER EARLY NEXT WEEK

Outline of Plan of Commissioner of Safety is Expected Then.

Hon. R. W. Wignome, warden of the municipality, Mayor F. L. Potts, chairman of the municipal finance committee, and the councilors for the parish of Lancaster, Messrs. O'Brien, Golding and Campbell, met with the county secretary this morning and discussed parish affairs.

In connection with fire protection for Beaufortfield it was agreed that the fire protection of the councilors and the committee from Beaufortfield should be held the first of the week. At that meeting it is hoped to have from Commissioner Harding an outline of the proposition the city might be prepared to make for providing fire protection for Beaufortfield and that some agreement might be reached.

Community Work.

It was decided to send forward to the Legislature a bill providing that a sum, not exceeding \$500, might be assessed each year on the parish of Lancaster for community purposes. The matter of having a clause added to the city bill exempting new dwellings for a period of two years, and making it apply to Lancaster was discussed, but no action was taken.

BODY TO BE MOVED

Remains of Admiral Dewey to be Transferred to Washington Church.

WASHINGTON, March 27.—The body of Admiral George Dewey, who commanded the American fleet at the battle of Manila Bay, will soon be removed from Arlington and transferred to the crypt of the National Episcopal Cathedral at Washington, where Woodrow Wilson is buried.

CASE THROWN OUT

Suit Against Former President Poincaré For Criminal Libel Nipped in Bud.

PARIS, March 27.—France's keenly awaited "cause celebre" of the former President Charles Poincaré against the former President of the United States, who was accused of criminal libel, was nipped in the bud yesterday when the public prosecutor's office announced that it had refused authorization to the assizes court to take up the case.

Rev. Alfred Wallace.

In Boston on last Sunday Rev. Alfred Wallace died, aged about 80 years. Mrs. Wallace, who was an ordained minister of the Advent Christian Church, was in charge of the North Devon, N. B., church about six years ago.

Truck and Milk Wagon Clash; Street Gets Coating of White

J. B. Beasley, milk dealer, lost about 40 quarts of milk this morning, his wagon was damaged and his horse received minor injuries as the result of a collision between the milk wagon and an auto truck of the Christie Wood Working Company.

The truck was proceeding down King

Edward street, enroute to the Christie factory in Erin street, and it is said that when about opposite the Centennial school something went wrong with the steering gear. When the collision occurred the horse was knocked down, the front axle of the wagon bent, milk bottles broken and the street given a coating of white.

Local News

DIED IN MALDEN. At Malden, Mass., yesterday, Mrs. Theresa Kane, widow of James Kane, formerly of this city, passed away. The body will be brought to Saint John for burial and the funeral will be held on Sunday afternoon.

RECEIVES WATCH AS GIFT. Rev. Edward Mehan, C. S. S., of St. Peter's church, transferred to Quebec, was made the recipient of a watch by the members of St. Peter's Y. M. C. A., of which he was spiritual adviser.

BOY IMPROVING. Little Ronald Hawker, who was rescued from drowning at Indian Point, is reported from his home, 108 Adelaide street, to be recovering nicely, but is still suffering, however, from nervous shock.

FRAME NEARLY UP. The contractor for the new city stables, in Rothery avenue, is making good progress with the work. It was said this morning and by night the frame would be about up.

BOYS DISORDERLY. A crowd of boys acting disorderly was dispersed by Police Constable Little last evening in Rockland road. In West Saint John last evening Sergeant O'Neill also dispersed a crowd who were gathered in St. James street.

POLICE INVESTIGATED. Police Constable Leard was called to Wentworth street yesterday afternoon on a complaint of the actions of a man loitering about in that neighborhood. On being questioned by the policeman, the man said he was waiting for a friend. Police Constable Leard accompanied the man to the address he gave and verified his statement. He took his name and then allowed him to go.

IS SEVENTY TODAY

Congratulations have been extended to Rev. David Hutchinson, D. D., pastor of the Main street Baptist at Saint John, who today is celebrating the 70th anniversary of his birth. Dr. Hutchinson is one of the leading Baptist divines in Canada, and for the last 30 years has been in this city as pastor of Main street.

AUTOS COLLIDE. A collision between two automobiles occurred yesterday when an auto driven by J. W. Redden, Hampton, while turning into Mill street off Union, was in collision with another auto approaching along Dock street. Only slight damage was caused to both machines.

BIRTHDAY CONGRATULATIONS.

Many telegrams and messages of congratulation were received today by John Ward, who is celebrating his 70th birthday. His son, Rev. Joseph Ward, of Sussex, celebrated high mass at Mount Carmel Convent yesterday morning in honor of the occasion. Friends in the city will join Mr. Ward this evening at dinner to further commemorate the event.

C. G. I. T. MEETINGS HERE.

Miss Marjorie Trotter, M. A., will arrive here tomorrow on the Halifax train to be present at meetings of the Canadian Girls in Training on Sunday, Monday and Tuesday. These meetings will open with the three groups of German street Baptist church on Sunday evening. The Provincial Girls' Work Board will meet at the Centenary Methodist Parsonage, when Mrs. Robert G. Fulton will entertain, after the business meeting. The C. G. I. T. Council supper will be served at Carleton street Methodist church hall on Tuesday evening, with toasts, addresses and community singing. Miss Trotter will give addresses at all the meetings.

THE FIRE CHIEF.

This morning it was rumored that Commissioner Harding's recommendation for fire chief appointment would be brought before the council at an early date. Commissioner Harding is out of the city, visiting Halifax, and no confirmation of the rumor could be secured. Several names have been mentioned, among them being Robert G. Carson, district engineer for North End, and W. L. McLellan, formerly of No. 4 Hose Co. It has been said before that Acting Chief Oliver Thomson does not want the position.

MISS MARION CUTTEN DEAD.

Miss Marion Cutten died at the Highland View Hospital in Amherst, N. S., Wednesday, after suffering from a paralytic stroke at noon of that day. She had many friends in Saint John, where she resided for some time. Her mother married the late Rev. Douglas Chapman, D. D., who was the pastor of the Fairville Methodist church for some years. Miss Cutten leaves besides her mother, in Amherst, two brothers, Barry of Stellarton, N. S., and Cassels of Truro, Ont. Mrs. Cassels Cutten died last week and was buried in Amherst. Miss Cutten was a cousin of Dr. George Cutten of Acadia University and a niece of Mrs. Ford McCready of Sackville.

TIP TOP TAILORS OPEN STORE HERE

Fine Location in Remodelled Marr Building—L. Lipsett is Manager.

The formal opening tomorrow morning at 4 Charlotte street, in the renovated Marr building, of the Saint John branch of the Tip Top Tailors, Canada's largest, one-price tailors, marks the definite establishment of this city as a link in the coast-to-coast chain of this national organization. There are fully 80 of these stores throughout Canada at the various important centres in addition to more than 600 agencies.

PROVINCIAL OFFICIALS RETURN FROM HYDRO HEARING AT VAN BUREN.

Special to The Times-Star. FREDERICTON, March 27.—Well satisfied with results attained for the province at the recent meeting of the St. John, B. N. E. A. Smith, chairman of the N. B. Power Commission, returned here at noon today. The Mar building, at the corner of Charlotte and Union, has long been recognized as a strategic business centre, but the improvements undertaken by the management have considerably increased its importance. The work on the building was commenced last January, and only recently has been finished. The front for both the Mar Millinery store and the Tip Top Tailors is something new in St. John, being of the Keweenaw style, which has been patented. It is of copper frame, with tiled vestibule and antique marble floor below. The windows are lighted by blue lamps, which is a particularly fine one and, apart altogether from its value to the store, it is a valuable aid to traffic, as it enables drivers coming down Union to see a considerably portion along Charlotte street.

History of Building.

The building was erected in 1867, but, despite its years, the contractors reported during their renovating that they found its timber of a substantial kind. The property was purchased by Mar's from the Horton estate in 1910 and only until now it was used entirely as a millinery store. The rearrangement, however, gives Mar's plenty of space and with some modern improvements makes it easier for them to handle crowds than heretofore. The interior has been done throughout in the fashionable dull gray color.

Is Enthusiastic.

Mr. Lipsett is enthusiastic about the opening of the Tip Top Tailors' branch tomorrow morning, and is thoroughly satisfied with its location in the Mar building. His company, he says, was organized in 1910, and since then had achieved great success, and only recently added its 45,000 square feet to its large factory in Toronto, this despite prevailing depression. Besides catering to local trade, the Tip Top Tailors also send samples to out-of-town people. The policy of the organization is to give the best service, and he believes that a strict adherence to the part of the company to this policy is in no small measure responsible for its success.

Protection From Fire At Sand Point

J. C. Chesley, local agent for the Marine and Fisheries Department, said this morning he had noticed that there had been a request for co-operation from the Federal officials in regard to fire hazard at West Saint John dock. Mr. Chesley said that the points shed and other Federal facilities in West Saint John were kept free from debris of a menacing nature. Recently R. L. Charlton, representing the Canadian Board of Marine Underwriters, inspected the Federal Government shed at West Saint John and had no complaints in reference to any fire hazard there.

REPLY SEPARATELY

ALLIES WILL SEND INDIVIDUAL ANSWERS TO GERMAN SECURITY PROPOSALS.

PARIS, March 27.—The allies have decided to reply separately to the memorandum from a German Minister Stresemann of Germany, suggesting a security pact. It was discovered that preparation of a collective note raised immense difficulties, by reason of the fact that each of the allied powers looked upon the security problems from a different angle.

MME. MELBA GIVES PRAISE TO SINGERS

Write With Force of Alt-house and Middleton, Who Sing Here April 15; Greatest Concert in Many Years.

When Alt-house and Middleton appeared in Australia two years ago, Madame Melba was quoted in the Sydney papers exactly as follows:—"Don't miss Alt-house and Middleton, two great artists who appear here next Saturday. I heard them in Melbourne and am confident no greater singing exists in the world. Alt-house's Reskio, who has been my idol through my career."

This suggests what a wonderful concert the Rotarians are promoting; in fact probably a better never held locally, and the prices all prospectively interested can afford, 50c. to \$1.50. Seat sale April 11.

PURITY MILK BEST FOOD

Purity milk supplies energy for the needs of an infant's body and adds to the food of the child and adult. Milk fat and milk sugar (typical food foods) are both found in milk. A quart of whole milk contains about 1 1/4 ounces of fat. The milk sugar in a quart of either skim milk or whole milk contains about 1 1/4 ounces of fat. Milk protein also adds to the food supply. Purity milk is a good food for a baby. A baby will often double and treble its size in six months with no other food. Everyone likes to drink Purity milk. It is much more than a beverage; it is an efficient food. Milk requires no time for preparation and there is no waste in the form of fat, sugar, or protein. It is a complete food in early infancy and should be used with great frequency by growing children and adults. But be sure that it is Purity. Phone Main 5000 and order your daily supply now.
