ostensibly administered by but it invariably happens tha of this kind is committed to twelve gentlemen, the majo more than cyphers, and the re devolves upon two or three, v ine influence of the chairman, his cabinet ministers. As a bility rested on the shoulders man, so was he allowed vas powers. To dispute his flat son—to interfere with his no tantamount to absolute rebell mon purse was at his disposa controlling power in the alloca Such in the days of which I Railway Monarch, of whom ! veral in England; that coun

railway purposes, again resolv tarchy.

Not the least powerful and those autocrats was Mr. Ric whose mercantile experience, ces, and reputation for sagacit him to so envisble a position. derstood that he had made a before he embarked in railwa. He stood well with the Minis he was regarded as a financial a respected member in the Ho good position in society. Sabout him-at least those who timately averred so-a certain arrogance which we often find have been successful in the wealth ;- a subdued boast makes itself rather felt than which is manifested by inflexi nion, and a disregard, almost contempt, of the suggestions weak point was vanity. He ea; though, if such a cha openly preferred, he would de-denied it. Nevertheless, an of the art could always gain h lowing the method through Brutue beasted that he could langhty Casar,-

"But when I tell him he hates flat He says he does; being then most Hence he had favorites, co the railways - low, fawning fel ten misled, and, I fear, someti hin; and they by ministering pandering, to his vanity, inc dash hearlong into schemes widential view, were dangerous, rad one, even reprehensible Being in possession of the

potent than patronage of disp to others, it is not surprising ton's acquaintance should have lously courted by a whole swa who, neglecting the ecriptural in exceeding haste to become r ness is of no rank; neither, I is servility. Rich and poor, high when it suits their turn, become and servile. Indigent men se to the highest bidder: peers forsake the traditions of their wretched guerdon of a ribbon. we not seen, within a limited s a king debase himself so far a part of jackal to an emperor, the imperial tyrant, not a porti-titory which they had jointly of the most ancient province of hi tary dominions? So runs the gard it not scoffingly, like a weep not, with Herachtus, for mankind. There is the pictu over in your own mind. Concord of all ages—Jew, Pagan, a — and you will find that the let the grand motive power. But according to the law of the ins dispensation, or the philosophic of the speculative Greek, or enunciation of the Gospel. J sermon preached to a Lombard gregation on the text - " Lay yourselves treasure upon the moth and rust doth corrupt, thieves break through and steal not the majority of the audienc to rely on the non oxidation of the impassibility of their safes for the scrutiny of the detective pol they would; and yet they
